## **SCHOLARSHIPS INTERNSHIPS FELLOWSHIPS**

Welcome to the *Guide to Grants-Scholarship Edition!*

I am honored to represent the 7<sup>th</sup> Congressional District of Alabama. It is my top priority to provide you with the information needed to ensure that every student has the resources needed to reach their God-given potential.

With the cost of college tuition at an all-time high, securing scholarships and other means of financial assistance is more important than ever before.

I am thrilled to provide information to students and parents, by identifying available scholarships, internships, and fellowships.

The **Guide to Grants-Scholarship Edition** is also a resource for institutions of higher education to provide financial opportunities for students, by submitting information to our grants department @ [Yolanda.clayton@mail.house.gov](mailto:Yolanda.clayton@mail.house.gov)

This guide will include links to agencies and resources to help make your search for financial education assistance more successful.

Stay up to date with the latest information at <http://sewell.house.gov> Please continue to let us know when grants/scholarships are awarded, especially if you found the opportunities in the *Guide to Grants*.

## Rep. Sewell Accepting Applications for Summer 2023 Interns

U.S. Rep. Terri Sewell (AL-07) announced that her Washington D.C. and district offices are now accepting applications for summer 2023 interns. College students and recent graduates interested in government and public service are invited to apply for a chance to spend the summer learning about Congress and the inner workings of a congressional office. Throughout the summer, interns will work closely with Rep. Sewell's staff on a variety of important legislative, communications, and administrative tasks. Applicants must be enrolled in a college or university (rising juniors and older) or have recently graduated.

"I'm excited to announce that my office is now accepting applications for summer 2023 internships!" said Rep. Sewell. "My office's internship program is a critical part of our mission to cultivate the next generation of leaders and changemakers. I encourage college students and recent graduates interested in serving the great people of Alabama's 7th Congressional District to apply for a chance to spend the summer with me and my hard-working team and propel your career to new heights!"

Throughout the summer, interns will have the opportunity to research legislation, draft letters, compile media clips, answer constituent calls, and attend legislative hearings, briefings, and seminars. Candidates should be proactive, professional, dependable, and have an interest in federal policy and the legislative process. Candidates should also possess strong written and oral communication skills, the ability to multitask, attention to detail, and a willingness to learn.

The Office of U.S. Rep. Terri Sewell is an Equal Opportunity Employer and does not discriminate in the hiring process based on race, color, religion, sex, gender identity, national origin, sexual orientation, marital status, disability, genetic information, age, military service, or other non-merit factors. BIPOC applicants and individuals in underrepresented communities are encouraged to apply.

The deadline to apply is Friday, March 31, 2023, at 5:00 p.m. CT / 6:00 p.m. ET. For more information including how to apply, visit <https://sewell.house.gov/internship-opportunities>

**Deadline:** April 1, 2023

## SLAS-NOBCCChE Scholarship

The SLAS-NOBCCChE Scholarship aims to increase the diversity of the global science, technology, engineering, and mathematics (STEM) workforce by supporting young people of color, who are often underrepresented in the STEM field. This year, we will award two \$50,000 scholarships to support students of color who will pursue an undergraduate STEM degree after high school, which includes mentorship from a STEM professional throughout their degree. This scholarship is made possible thanks to our generous donors – Pfizer and Amgen.

Interested students must submit a STEM-related research project idea they want to pursue. Selected applicants will be paired with a mentor (representing a funding company and/or the greater SLAS or NOBCCChE communities) who will help them in developing their research project ideas into a full project proposal to fulfill the application submission requirements. Final project proposals will be due end of April. Finalists will be selected by early May. Throughout the summer, mentors will work with finalists to refine their projects and prepare for final submission at the end of July. Finally, the winners will be selected and notified near the end of August. For more information or to apply, please visit the scholarship provider's website.

**Amount:** \$50,000

**Deadline:** April 1, 2023

#### [QuestBridge College Prep Scholars Program](#)

The College Prep Scholars Program equips high-achieving high school juniors from low-income backgrounds with the knowledge, confidence, and resources to apply to top colleges. Applicants must be academically-outstanding high school juniors from families earning less than \$65,000/year for a family of four. College Prep Scholars may receive a full scholarship to a college summer program at top schools, money towards school equipment, campus visits or test school fees, an invitation to a national college admissions conference, as well as guidance and coaching on applying for college. For more information or to apply, please visit the scholarship provider's website.

**Amount:** Varies

**Deadline:** March 22, 2023

#### [ESA Youth Scholarship Program](#)

We appreciate the contribution that police, firefighters, paramedics, and EMTs offer to our communities. To show our appreciation, the program was developed to provide college scholarships to their deserving children. High school seniors who have a commitment to excellence and are inspired by the work their first responder parent(s) do in our communities, are invited to apply.

Students whose parents serve in a participating state must apply in that state. If state is not listed below with a participating association, students should apply directly to ESA. Winners from each state and the first-round ESA award will be automatically considered for an additional national ESA Scholarship of: \$12,000 first place and \$4,000 second place. For more information or to apply, please visit the scholarship provider's website.

**Amount:** \$12,000

### [Olivia Noel Rotondo Memorial Cheerleading Scholarship](#)

While the LivForYou foundation is still young, it has been developing new ways to give back to communities that closely relate to the best qualities in Olivia. She was a dancer, cheerleader, and a very spirited young adult. In her honor, The LivForYou Foundation, engages in non-profit fundraising throughout the year in order to provide monetary assistance to young people with a boundless spirit. Annually the foundation raises enough funds to offer scholarship aid to students who demonstrate academic excellence, extra curricular involvement, dedication and continued practice of their craft.

The scholarship committee chooses the recipient based on outstanding dedication to the sport, school spirit, and academic excellence. The Foundation will provide \$2500 to a graduating high school cheerleader that has been accepted to a college or University. For more information or to apply, please visit the scholarship provider's website.

**Amount:** \$2,500

**Deadline:** March 26, 2023

### [Olivia Noel Rotondo Memorial Dance Scholarship](#)

The Liv For You Foundation engages in non-profit fundraising throughout the year in order to provide monetary assistance to young people with a boundless spirit. The foundation provides \$2500 to a graduating high school dancer accepted to College or University. For more information, or to apply, please visit the scholarship provider's website.

**Amount:** \$2,500

**Deadline:** March 26, 2023

### [AEC Aluminum Extrusion Design Competition](#)

The Aluminum Extrusion Design Competition is intended to enlighten students about the many design advantages and infinite application possibilities of aluminum extrusions. Enter your unique and original designs in the International Aluminum Extrusion Design Competition. Show off your talent, ingenuity and creativity by designing components, systems, products or product assemblies that feature at least one extruded aluminum profile and highlight extrusion's many advantages.

To be eligible, you must be currently enrolled as a student in high school, college/university, technical or design school, or graduate school. Winning entries will be those that best demonstrate the benefits of aluminum extrusion, whether by creating a new product or improving an existing one, by achieving the four judging criteria objectives of creativity, practicality, market impact or potential and product or process improvement. ### [Essay and Art Contest on Civil and Human Rights](#)

Dalit Solidarity Forum in the USA, Hindus for Human Rights, and Indian American Muslim Council are pleased to present the second annual Essay and Art Contest on Civil and Human Rights. The theme for this year's contest is: Intersections Between Caste Discrimination and Anti-Black Racism. We invite South Asian American students\* in grades 6-12 to reflect on the intersections between caste discrimination and anti-Black racism.

Across South Asia and the diaspora, persons from oppressed-caste communities such as Dalits continue to face various forms of discrimination, oppression, and societal segregation. In India, caste discrimination is illegal, and affirmative action policies have enabled social, political and economic mobility for some who come from Dalit families. Yet, caste oppression persists and persons belonging to Dalit communities remain socially, economically, and politically marginalized.

We welcome submissions from students in grades 6-12 who identify as belonging to the South Asian diaspora, defined broadly. Students from all religious backgrounds are welcome. We invite students whose identities intersect in meaningful ways with Afghanistan, Bangladesh, Bhutan, India, the Maldives, Nepal, Pakistan, or Sri Lanka, and the United States. This includes members of the diaspora whose families hail from the Caribbean, Fiji, Singapore or Malaysia, or countries in Africa, for example, as well as students who identify as bi-racial or transcultural.

Essay must be 700 words minimum; 1,000 words maximum and in Microsoft Word (.docx) document; double-spaced, 12 pt. Times New Roman font. No personal identification information may be in the body of the essay. Citations, if any, must be placed in the end, and will not be part of the word count.

For those submitting visual art, you must submit a high-resolution photograph of your artwork in 8 1/2 x 11 inch or 11 x 17 inch format. For more information or to apply, please visit the scholarship provider's website.

### [Fight The Flame CRPS Awareness Scholarship](#)

The Fight the Flame CRPS Awareness Scholarship was established to encourage students to educate others about Complex Regional Pain Syndrome (CRPS). CRPS formally known as Reflex Sympathetic Dystrophy (RSD) is a chronic, degenerative, neurological pain disorder. To the outside world, a person with CRPS looks "healthy." People with CRPS push through their pain to survive and succeed in their daily lives. It is difficult for someone battling with CRPS to hear from others who are not aware of the disease, that they look good, so they must not

be sick. CRPS is an invisible disease, as are so many others; fibromyalgia, depression, Sjogren's, Interstitial Cystitis, Eating Disorders, etc.

Spreading awareness, supporting education and research about Complex Regional Pain Syndrome (CRPS), is the key to one day finding a cure for this dreadful pain disorder. As part of our advocacy efforts, we are offering one Fight the Flame® CRPS Awareness Scholarship of \$1,000 to a high school senior. Applicants must be a high school senior in good standing with at least a 3.0 GPA, scheduled to graduate in the spring of the current school year. Must be accepted and planning to pursue a four-year undergraduate degree from an accredited institution (copy of acceptance letter required). Applicants must submit a complete application, answer one essay question (500 words), present a complete communication log sheet and provide a copy of college acceptance letter.

# April Fellowships

## [American Cancer Society Postdoctoral Fellowships](#)

At the American Cancer Society, we're on a mission to free the world from cancer. Until we do, we'll be funding and conducting research, sharing expert information, supporting patients, and spreading the word about prevention. All so you can live longer- and better. Whether we're working in a community near you or one halfway around the world, our mission remains the same: to save lives, celebrate lives, and lead the fight for a world without cancer. See what we've been up to lately — and get to know the American Cancer Society a little bit better.

Investigators who are US citizens or permanent residents and within 3 years of receiving a doctoral degree can apply for American Cancer Society Postdoctoral Fellowships. Postdoctoral Fellowships (PF) support new investigators in research training programs to position them for independent careers in cancer research. As part of their evaluation, peer reviewers consider how well the fellowship will broaden the applicant's research training and experience. Funding for this includes stipends up to 3 years, plus an annual \$4K fellowship allowance and \$1,500 travel allowance in the final year. Eligible applicants must work at a US academic institution or eligible non-profit, be US citizens or permanent residents, and not have a faculty appointment (e.g., instructor, research assistant professor). For more information or to apply, please visit the scholarship provider's website.
