## **SCHOLARSHIPS    INTERNSHIPS    FELLOWSHIPS**

Welcome to the *Guide to Grants-Scholarship Edition!*

I am honored to represent the 7<sup>th</sup> Congressional District of Alabama. It is my top priority to provide you with the information needed to ensure that every student has the resources needed to reach their God-given potential.

With the cost of college tuition at an all-time high, securing scholarships and other means of financial assistance is more important than ever before.

I am thrilled to provide information to students and parents, by identifying available scholarships, internships, and fellowships.

The **Guide to Grants-Scholarship Edition** is also a resource for institutions of higher education to provide financial opportunities for students, by submitting information to our grants department at [Hillary.Bead@mail.house.gov](mailto:Hillary.Bead@mail.house.gov)

This guide will include links to agencies and resources to help make your search for financial education assistance more successful.

Stay up to date with the latest information at <http://sewell.house.gov> Please continue to let us know when grants/scholarships are awarded, especially if you found the opportunities in the *Guide to Grants*.

For more information, please visit our website at <http://sewell.house.gov>. To subscribe to *Guide to Grants*, sign up on our [website](#) or call us at 205.254.1960.

## NREI John R. Lewis Social Justice Policy Fellowship

The NREI John R. Lewis Social Justice Policy Fellowship is a Congressional Black Caucus Foundation, Inc. (CBCF) program designed to give young, Black professionals the opportunity to work in Congress and with the Foundation to address social justice and racial equity issues that affect the Black community. Distinguished by two six-month rotations, Social Justice Fellows are placed in the U.S. Congress with Congressional Black Caucus members and the CBCF's Center for Policy Analysis and Research (CPAR) for a total of 12 months.

Fellows produce social justice policy research and analysis on topics that include, but not limited to, criminal justice reform, education, community/economic development, health equity, and civil rights. While working in Congressional Black Caucus member offices, Fellows gain invaluable legislative experience as they engage in the development of public policy initiatives, attend briefings, conduct research, write speeches, and develop rapport with key leaders all in the areas of social justice. In the Center for Policy Analysis and Research, Fellows work under the NREI Director and in cooperation with other stakeholders to conduct policy analysis, research, and data collection with the goal to disseminate research findings and relevant information to advance NREI's mission. Fellows during their term may also organize social justice forums and brain trusts, serve as an expert in their field, and produce issue briefs, fact sheets and other publications related to social justice.

### February Scholarships

#### [AMS Scholarship for Underserved Communities](#)

Applicants must be U.S. citizens or hold permanent resident status. Students who will be entering their freshman year of college in the fall are eligible to apply. Students must plan to pursue careers in the atmospheric or related oceanic and hydrologic sciences. Marine Biology is not eligible. Applicants must have a GPA of 3.0 on a 4.0 scale. Students eligible to apply for the AMS Scholarship for Underserved Communities may also apply to the AMS Freshman Scholarship Program but can only accept one scholarship if selected for both.

**Amount:** \$6,000

**Deadline:** February 23, 2024

#### [Gertrude M. Cox Scholarship](#)

The Cox Scholarship, sponsored by the ASA Committee on Women in Statistics and Caucus for Women in Statistics, was established in 1989 to encourage more women to enter statistically oriented professions. Two scholarship recipients are selected each year: one to a woman in or entering the early stages of graduate training (MS or PhD) and one to a woman in a more advanced stage of training. The application is limited to women who are citizens or permanent residents of the United States or Canada and who are admitted to full-time study in a graduate statistics program by July 1 of the award year.

**Amount:** \$1,000

**Deadline:** February 23, 2024

#### [MathWorks Math Modeling \(M3 Challenge\)](#)

MathWorks Math Modeling (M3 Challenge) is a contest for teams of high school juniors and seniors in the U.S. and sixth form students in England and Wales. Through participation in this competition, students experience what it's like to work as a team to tackle a real-world problem under time and resource constraints, akin to those faced by professional mathematicians working in the industry. Teams of 11th and 12th graders from anywhere in the United States, including territories and DoDEA schools, and sixth form students (age 16-19) in England and Wales may participate. The competition is fully virtual, and participants will not be charged a registration or participation fee.

**Amount:** \$20,000

**Deadline:** February 23, 2024

### VPC Community Involvement and Kathleen Eovino Memorial Scholarship

The VPC Community Involvement Scholarship is awarded to high school seniors or college students who will be continuing their education in the fall at a vocational/technical, two-year, or four-year college. Applicants must have a grade point average of 3.0 or higher on a 4.0 scale at the time of application. The winners will be those applicants who best demonstrate service to and involvement with their “communities” - defined broadly as a geographic community, school community, or sports/hobby/activity community.

**Amount:** \$2,000

**Deadline:** February 23, 2024

### Honorable William C Conner Writing Competition

The Honorable William C. Conner Writing Competition was established to recognize exceptionally written papers that are submitted by law students and is presented each year at the Annual Meeting and Awards Dinner. The competition is open to students enrolled in a J.D. or LL.M. program (day or evening). The subject matter must be directed to one of the traditional subject areas of intellectual property, i.e., patents, trademarks, copyrights, trade secrets, unfair trade practices, antitrust, and data security/privacy issues.

**Amount:** \$2,500

**Deadline:** February 25, 2024

### Joseph James Morelli Legacy Foundation Scholarship

Awardees may apply the scholarship funds toward tuition, books, testing, tutoring, assistive technology and/or other resources required to obtain accommodations. Applicants must be either a high school student or a post-high school student, who will be attending an accredited undergraduate school, technical school, or community college in the United States in the Fall of the year the scholarship is awarded. Graduate students are not eligible. Applicants must be pursuing a degree in STEM field (science, technology, engineering, math) and must have a demonstrated learning challenge (disability) of dyslexia or similar reading and/or language-based disability. Dyscalculia, dysgraphia, or ADHD alone do not qualify. Applications open in January and awards are announced at the end of May.

**Amount:** \$2,500

**Deadline:** February 25, 2024

## [NASF Foundation Scholarships](#)
