CONGRESSWOMAN TERRI SEWELL'S **GUIDE to GRANTS** ALABAMA'S 7TH DISTRICT

January 15, 2023

SCHOLARSHIPS INTERNSHIPS FELLOWSHIPS

Welcome to the *Guide to Grants-Scholarship Edition!*

I am honored to represent the 7th Congressional District of Alabama. It is my top priority to provide you with the information needed to ensure that every student has the resources needed to reach their God-given potential.

With the cost of college tuition at an all-time high, securing scholarships and other means of financial assistance is more important than ever before.

I am thrilled to provide information to students and parents, by identifying available scholarships, internships, and fellowships.

The **Guide to Grants-Scholarship Edition** is also a resource for institutions of higher education to provide financial opportunities for students, by submitting information to our grants department @ Yolanda.clayton@mail.house.gov

This guide will include links to agencies and resources to help make your search for financial education assistance more successful.

Stay up to date with the latest information at <http://sewell.house.gov> Please continue to let us know when grants/scholarships are awarded, especially if you found the opportunities in the *Guide to Grants*.

For more information, please visit our website at <http://sewell.house.gov>. To subscribe to *Guide to Grants*, sign up on our [website](#) or call us at 205.254.1960.

CONGRESSWOMAN TERRI A. SEWELL – REPRESENTING ALABAMA'S 7TH DISTRICT

Washington D.C. Office | 2201 Rayburn House Office Building | Washington, D.C. 20515

<http://Sewell.House.Gov> | Phone: (202) 225-2665 | Fax (202) 226-9567

Rep. Sewell Accepting Applications for Summer 2023 Interns

U.S. Rep. Terri Sewell (AL-07) announced that her Washington D.C. and district offices are now accepting applications for summer 2023 interns. College students and recent graduates interested in government and public service are invited to apply for a chance to spend the summer learning about Congress and the inner workings of a congressional office. Throughout the summer, interns will work closely with Rep. Sewell's staff on a variety of important legislative, communications, and administrative tasks. Applicants must be enrolled in a college or university (rising juniors and older) or have recently graduated.

"I'm excited to announce that my office is now accepting applications for summer 2023 internships!" said Rep. Sewell. "My office's internship program is a critical part of our mission to cultivate the next generation of leaders and changemakers. I encourage college students and recent graduates interested in serving the great people of Alabama's 7th Congressional District to apply for a chance to spend the summer with me and my hard-working team and propel your career to new heights!"

Throughout the summer, interns will have the opportunity to research legislation, draft letters, compile media clips, answer constituent calls, and attend legislative hearings, briefings, and seminars. Candidates should be proactive, professional, dependable, and have an interest in federal policy and the legislative process. Candidates should also possess strong written and oral communication skills, the ability to multitask, attention to detail, and a willingness to learn.

The Office of U.S. Rep. Terri Sewell is an Equal Opportunity Employer and does not discriminate in the hiring process based on race, color, religion, sex, gender identity, national origin, sexual orientation, marital status, disability, genetic information, age, military service, or other non-merit factors. BIPOC applicants and individuals in underrepresented communities are encouraged to apply.

The deadline to apply is Friday, March 31, 2023, at 5:00 p.m. CT / 6:00 p.m. ET. For more information including how to apply, visit <https://sewell.house.gov/internship-opportunities>

SCHOLARSHIP ALERT!

[Foot Locker Scholar Athletes Program](#)

The Foot Locker Scholar Athletes program honors student-athletes who demonstrate exceptional academic ability and strong leadership skills in sports, in their schools, and within their communities. To be eligible for the Foot Locker Scholar Athletes Program, the applicant must: Be entering college in the Fall following the scholarship award as a freshman at a four-year school for an undergraduate degree or two-year or four-year community college; Be currently involved in high school sports, intramural sports, or community-based sports; Have a minimum GPA of 3.0; and Be a U.S. citizen or permanent legal resident (you will be asked to prove citizenship and age if you win). For more information or to apply, please visit the scholarship provider's website.

Amount: \$20,000

Deadline: January 30, 2023

EPP Undergraduate Scholarship Program

The EPP/MSI Undergraduate Scholarship provides funds for two years of undergraduate study majoring in Science, Technology, Engineering, and Mathematics (STEM) discipline related to NOAA's programs and mission. You must be a U.S. citizen or U.S. national who is either currently enrolled or accepted as a full-time student who is in their second year of a four-year academic program or a third-year student in a five-year program. at an accredited minority-serving college or university within the U.S. or U.S. territories. Applicants must earn and maintain a minimum 3.2 GPA.

This program includes coverage of travel and conference expenses during award recipients' junior and senior years. As part of the program, students complete an 11-week paid summer internship and training at NOAA in Silver Spring, MD, between May and July of the first summer. During the second summer, students complete a 10-week paid internship at NOAA facilities across the country. Students are paid a stipend and receive a housing allowance during summer internships. Recipients also attend a two-week orientation at NOAA in Silver Spring, MD, and begin their first summer internship in early June. At the end of both summer internships, students present the results of their projects at an Education and Science Symposium in Silver Spring, MD (travel expenses paid). For more information or to apply, please visit the scholarship provider's website.

Amount: \$45,000

Deadline: January 31, 2023

HBCU Week x FOSSI STEM Scholarship

The Future of STEM Scholars Initiative (FOSSI) is a program providing scholarships and professional development opportunities directed at furthering science, technology, engineering, and math (STEM) education in students from underrepresented communities. If selected, the student will receive a \$40,000 scholarship award disbursed in the amount of \$10,000 per year, for four years.

Selected students will also receive internship preparation and placement, leadership training, mentoring, and access to the AIChE student networking opportunities. Applicants must be high school seniors accepted as a full-time students at a historically Black college or university for the upcoming academic year, have a minimum 3.0 GPA, be a U.S. citizen or permanent resident, and be planning to pursue studies in a field associated with STEM, MIQA, technical or operation manufacturing. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000 per year

Deadline: January 31, 2023

[TheDream.US Opportunity Scholarship](#)

You are eligible to apply for our scholarship if you meet the following eligibility criteria: are undocumented and came to the United States before November 1, 2017, and have continuously lived in the United States since then or have DACA or TPS; came to the United States before the age of 16 (if you were born in the U.S. – you are not eligible for our scholarship); have significant unmet financial need; live in and have graduated or will graduate from a high school in a targeted locked-out state; graduated or will graduate with a high school GPA of 2.5 or have a cumulative college/university GPA of 2.5; or intend to relocate to and enroll full-time in a bachelor's degree program at an Opportunity Partner College. For more information or to apply, please visit the scholarship provider's website.

Amount: \$80,000

January Scholarships

[Fund for Education Abroad Scholarships](#)

The mission of the Fund for Education Abroad (FEA) is to provide scholarships and ongoing support to students who are U.S. citizens or permanent residents who are under-represented in the U.S. study-abroad population. Students must be currently enrolled as an undergraduate at a college or university in the U.S. (graduate students are not eligible). The study abroad program must be eligible for credit at the student's educational institution. The study abroad program must include at least 4 weeks (28 days) in the country/countries. Preference is given to students who demonstrate financial need, minority students, and first-generation college students. For more information or to apply, please visit the scholarship provider's website

Amount: Varies

Deadline: January 18, 2023

[APIA Scholarship Program](#)

The APIA Scholarship is open to AANHPI undergraduate students attending any U.S.-accredited university or college. Scholarship amounts range from \$2,500 in one-year awards to \$20,000 in multi-year awards. APIA Scholars has a special focus on supporting AANHPI students who live at or below the poverty line; are in the first generation of their family to attend college; are representative of the APIA community's diversity, (geographically and ethnically), especially those ethnicities that have been underrepresented on college campuses due to limited access and opportunity. Strong applicants would also have an emphasis on community service and leadership.

Amount: Varies

Deadline: January 19, 2023

Amazon Future Engineer Scholarship

Applicants must have work authorization for two years and be high school seniors in the U.S. who are currently enrolled in or who have completed a high school or college dual degree course where Computer Science is the subject. Students who have not taken this course can opt-in to taking an assessment offered by Amazon. Example courses include International Baccalaureate Computer Science Course, Advanced Placement (AP) Computer Science, A or AP Computer Science Principles, and Computer Science through a college dual enrollment program. Applicants must be planning to obtain a bachelor's degree in computer science, software engineering, computer engineering, or another computer science-related field of study from an accredited college with a 3.0 GPA (or its equivalent). Applicants must show financial need. For more information or to apply, please visit the scholarship provider's website.

Amount: \$40,000

Deadline: January 20, 2023

Joy Cappel Scholarship

Each year, the Joy Cappel Scholarship will award two life sciences students with \$2,500 each. The scholarship is intended to foster a new generation of researchers and help support these young investigators in their scientific training. Must be a high school senior, undergraduate, or graduate student currently enrolled and accepted at a college or university in the United States for the upcoming fall or spring term. The intended major must be in Life Sciences or a related field, must complete the application form, and provide the video submission required. For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,500

Deadline: January 20, 2023

The Hamilton Award

The Hamilton Award recognizes young people for their academic, personal, service, and entrepreneurial accomplishments; forty students across the nation are selected annually as winners of the Hamilton Award and subsequently enrolled in AHS' five-year Empowerment Program. Winners of the Hamilton Award receive two \$500 cash awards to pay for college expenses at their entrance and exit from the Empowerment Program.

Furthermore, before beginning university, Scholars receive a laptop to assist in their college studies. After accepting the Hamilton Award, students enter the Empowerment Program alongside fellow cohort members and receive a comprehensive network of support and practical guidance to assist their transition from high school to college, and from college to future professional or academic paths. All applicants should be college-bound high school juniors who are committed to participating in this rigorous five-year curriculum. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,000

Deadline: January 25, 2023

[The AAMI Foundation Michael J. Miller Scholarship Program](#)

The AAMI Foundation Scholarship will be awarded to students studying to become biomedical equipment technicians, or health technology-specific engineering, including clinical engineering. One scholarship, in particular, will be awarded to an individual studying to become a health systems engineer. Applicants must be entering or current full-time college students seeking a career in the healthcare technology profession at an accredited college or university. Applicants must demonstrate a combination of technical aptitude, academic excellence, and commitment to the health technology profession. To document these attributes, applicants are required to submit a short essay (500-700 words) explaining how they view themselves fitting into the profession and describing their evidence of academic excellence and the other skills mentioned above. For more information or to apply, please visit the scholarship provider's website.

Amount: \$3,000

Deadline: January 27, 2023

[The Barry Goldwater Scholarship and Excellence in Education Foundation](#)

The purpose of the Foundation is to provide a continuing source of highly qualified scientists, mathematicians, and engineers by awarding scholarships to college sophomores and juniors who intend to pursue research careers in these fields. Eligible applicants must be U.S. citizen or permanent residents and have a GPA of 3.0 or higher on a 4.0 scale. The Online Goldwater Application contains several components, including one questionnaire, one research essay, three letters of recommendation, transcripts, and a copy of your Permanent Resident Card (if applicable). Applicants must be nominated by a Goldwater Campus Representative (CR) to their institution. Applicants must locate their CR on the website and complete the Student Profile and Goldwater Scholarship Pre-Application. Once complete, the student's profile and pre-application will be emailed to their respective CR, who should then contact them thereafter. Each scholarship covers eligible expenses for undergraduate tuition, fees,

books, and room and board, up to a maximum of \$7,500 per academic year. Scholars who receive the award as sophomores can expect to receive support for a maximum of two years (4 semesters) or until graduation. For more information or to apply, please visit the scholarship provider's website.

Amount: \$7,500 per year

Deadline: January 27, 2023

[Supply Management Scholarship and Award: R. Gene and Nancy D. Richter Foundation](#)

The R. Gene and Nancy D. Richter Foundation and the R. Gene Richter Scholarship fund at ISM will provide a \$10,000 scholarship to individuals seeking education in supply management, supply chain management, or procurement. An eligible student will be in their senior year during the academic year the scholarship is awarded and be enrolled full-time in an accredited supply management, supply chain management, or procurement program to specialize in the supply management profession. Recipients of this award have earned outstanding grades. Past winners have been involved and active participants in campus activities and are usually an officer in one of the organizations. Others have led charitable efforts within their communities. Applicants must be U.S. Citizens or permanent residents who demonstrate high academic achievement. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: January 27, 2023

[Foot Locker Scholar Athletes Program](#)

The Foot Locker Scholar Athletes program honors student-athletes who demonstrate exceptional academic ability and strong leadership skills in sports, in their schools, and within their communities. To be eligible for the Foot Locker Scholar Athletes Program, the applicant must: Be entering college in the Fall following the scholarship award as a freshman at a four-year school for an undergraduate degree or two-year or four-year community college; Be currently involved in high school sports, intramural sports, or community-based sports; Have a minimum GPA of 3.0; and Be a U.S. citizen or permanent legal resident (you will be asked to prove citizenship and age if you win). For more information or to apply, please visit the scholarship provider's website.

Amount: \$20,000

Deadline: January 30, 2023

[Intel Scholarship for Employees' And Retirees' Children](#)

Intel continually invests in the education and personal development of employees and their families. The Andy Grove Scholarship for Intel Employees' Children will help children of employees further their education via a competitive scholarship program that will help contribute toward the cost of post-high school (post-upper secondary school) studies at accredited universities or institutions. Scholarships will be made available through the Intel Foundation.

Amount: \$4,000

Deadline: January 30, 2023

[\\$25,000 Be Bold No-Essay Scholarship](#)

Bold.org is built for students who are determined to make the climb. As you join the Bold.org platform, you get the opportunity to showcase your goals, achievements, and drive to scholarship panels via your student profile. The \$25,000 "Be Bold" Scholarship is a no-essay scholarship that will be awarded to the applicant with the boldest profile. For more information or to apply, please visit the scholarship provider's website.

Amount: \$25,000

Deadline: January 31, 2023

[Baer Reintegration Scholarship](#)

The goal of the Baer Reintegration Scholarship is to help people with schizophrenia, schizoaffective disorder or bipolar disorder acquire the educational and vocational skills necessary to reintegrate into society, secure jobs, and regain their lives. The Baer Reintegration Scholarship is funded by the Sidney R. Baer, Jr. Foundation which

supports the efforts of organizations working to stimulate education, research, and direct care in the mental health field. For more information or to apply, please visit the scholarship provider's website.

Amount: \$6,000

Deadline: January 31, 2023

[Betty Hansen Continuing Education/Cultural-Heritage Grant](#)

The Danish Sisterhood of America is very proud of its Scholarship and Grants Programs, which are available to members of the Danish Sisterhood and their children, regardless of age. To be eligible for the Betty Hansen Continuing Education/Cultural-Heritage Grant, applicants must be enrolled less than half-time at one of the following: an educational, accredited, or approved school; in a course, workshop, or seminar; or in a seminar or language class relating to Danish culture/heritage. The two deadlines for the scholarship are January 31 and August 31. For more information or to apply, please visit the scholarship provider's website.

Amount: Varies

Deadline: January 31, 2023

[Black American Engineering Scholarship Award](#)

This flexible scholarship includes up to \$10,000 per year (\$5,000 per semester) of funding. Scholarship recipients are invited to re-apply for funding for up to four years. The goal is to provide a pathway to achievement for Black Americans pursuing careers in civil, mechanical, electrical, and chemical engineering. Selected candidates receive substantial assistance that is designed to close the financial gap left after the Pell Grant is used for tuition. Scholarship funding can be applied to school expenses like tuition, books, fees, and room and board. Scholarship recipients also participate in a mentorship program designed to support their professional success.

Applicants must be a Black American incoming college freshman/current high school senior or a student transferring from a two-year program into a four-year program. Applicants must be eligible for Federal Pell Grant funding and able to show proven financial need. Must be a U.S. citizen, national, or permanent resident in good academic standing who is enrolling in an accredited, not-for-profit four-year institution. Must be pursuing a degree in civil, electrical, mechanical, or chemical engineering, including any subfield of those disciplines. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: January 31, 2023

Cancer for College Scholarships

Since its inception, Cancer for College has awarded over 1,600 need-based scholarships totaling more than \$6 million in awards to high-achieving cancer survivors. Community college applicants are eligible but the award may not be greater than the amount needed. All remaining applicants will be eligible for other one-time awards. Awards are typical \$5,000 each. Scholarship recipients must maintain full-time enrollment at their stated university. Failure to maintain full-time enrollment or transfer from a 4-year university to a community college may result in loss of scholarship funds.

Graduate students receiving scholarships do not need to maintain full-time student status. Scholarship recipients experiencing health-related issues that force them to leave school may request a one-time extension of their scholarship, not to exceed one school year. Recipients exceeding this time will forgo their scholarship but may reapply when ready to return to school. For more information or to apply, please visit the scholarship provider's website.

Amount: \$5,000

Deadline: January 31, 2023

CAS Trust Scholarship Program

The objective of the scholarship is to further students' interest in the property/casualty actuarial profession and to encourage the pursuit of CAS designations. Scholarships are awarded based on individual merit. The CAS Trust Scholarship Program will award scholarships in the amount of \$5,000 and \$2,500 to deserving students for the coming academic year. To be eligible you must: Submit all sections of the CAS Trust Scholarship application by January 31st; Be currently attending college or university as a full-time student and continuing as a full-time student in the coming academic year; Have sat for at least one actuarial exam by March 31st; and be a member of CAS Student Central. Preference will be given to applicants who have not yet won the CAS Trust Scholarship. For more information or to apply, please visit the scholarship provider's website.

Amount: \$5,000 and \$2,500

Deadline: January 31, 2023

Corporate Legal Operations Consortium Scholarship

Applications are open to students enrolled in a graduate degree (J.D., MBA, and other) program and have a business/metrics-driven focus as it relates to the practice of law or have demonstrated an interest in Legal Operations. Applicants must be a current student in the same applying academic calendar year. All scholarship winners will receive an academic award of \$6,000 plus a one year paid membership to CLOC. Each will be paired with a CLOC legal operations professional leader closest to their current school for career guidance, networking and mentorship. Be a current or entering student at an accredited graduate university in the United States with interest in legal operations or business metrics driven focus in the field of law. CLOC is only able to provide scholarships to students attending school in the U.S. at this time. For more information or to apply, please visit the scholarship provider's website.

Amount: \$6,000

Deadline: January 31, 2023

CXR Foundation Scholarship

Each year, the CXR Foundation will be awarding one \$10,000 scholarship to a U.S. resident who is connected to someone working in the talent industry and who is/will be attending an accredited, U.S. college or university. Working in the talent industry is defined as a person in any role within corporate recruiting, human resources, talent acquisition or talent management or a vendor in any of those spaces. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: January 31, 2023

DAR American Indian Scholarship

This scholarship is awarded once a year to a Native American college and technical student of any age, any tribe and in any state who has financial need and a minimum GPA of 3.25 based on a 4.0 scale or the equivalent GPA on the scaled used by the applicable educational institution. The amount of the scholarship is \$4,000.00 and more than one may be awarded each year. Applicants must be Native Americans and must be able to prove membership in a tribe that is recognized at a state and/or federal level. These awards are available for vocational training or

college/university undergraduate or graduate students. Preference is given to undergraduate applicants. For more information or to apply, please visit the scholarship provider's website.

Amount: \$4,000

Deadline: January 31, 2023

[DAR Arthur Lockwood Beneventi Law Scholarship](#)

The Arthur Lockwood Beneventi Law Scholarship is a one-time preferred amount \$2,000 scholarship awarded to a student who is either enrolled in or attends an accredited law school and has a minimum GPA of 3.25. The scholarship is not automatically renewable; however, recipients may reapply for consideration each year. For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,000

Deadline: January 31, 2023

[DAR Caroline E. Holt Nursing Scholarship](#)

The Caroline E. Holt Nursing Scholarship is a one-time \$2,500 award which is given to three students who are able to demonstrate financial need and who have been accepted or are currently enrolled in an accredited school of nursing. A letter of acceptance into a nursing program or a transcript stating the applicant is in a nursing program must be included with the application. A letter of acceptance into a nursing program or a transcript stating the applicant is in a nursing program must be included with the application. DAR chapter sponsorship is not required, however, applicants may want to reach out to a DAR chapter in their area for help with their applications. Applicants should submit their scholarship applications using the DAR's new on-line process from November 1st through January 31st by 11:59 pm (Eastern Standard Time). For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,500

Deadline: January 31, 2023

DAR Centennial Scholarship

The DAR Centennial Scholarship is awarded to two outstanding students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States. This scholarship was established from a portion of the proceeds from the sale of the Centennial Pin. Applicants must be citizens of the United States and must also attend or plan to attend an accredited college or university in the United States. DAR chapter sponsorship is not required, however, applicants may want to reach out to a DAR chapter in their area for help with their applications. Applicants must include the following items with their application: a personal statement of 1,000 words or less setting forth your career objectives, the most recent copy of your college grades, and your major must be indicated on your most recent transcript. Letters of recommendation (at least two but not to exceed four from high school or college now attending) should convey your ability, work habits, integrity, character, potential, and volunteer activities. Please include a list of your extra-curricular activities, honors received, and scholastic achievements. For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,500

Deadline: January 31, 2023

DAR Dr. Aura-Lee A. & James Hobbs Pittenger American History Scholarship

The Dr. Aura-Lee A. and James Hobbs Pittenger American History Scholarship is awarded to graduating high school students who will pursue an undergraduate degree with a concentrated study of a minimum of 24 credit hours in American History and American Government. Renewal is conditional upon maintenance of a GPA of 3.25. This scholarship is renewable. This award is intended to promote the study of our country's history among our finest students. U.S. Citizens residing abroad may apply through a Units Overseas Chapter. The Dr. Aura-Lee A. and James Hobbs Pittenger American History Scholarship is an award of \$2,000 each year for up to four years with annual transcript review by the National Chairman required for renewal and refunding of the award. For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,000 per year

Deadline: January 31, 2023

DAR Dr. Francis Anthony Beneventi Medical Scholarship

The Dr. Francis Anthony Beneventi Medical Scholarship is a preferred amount \$5,000 scholarship awarded to one student either attending or planning to attend an approved, accredited medical school, college, or university. The applicant must have a minimum GPA of 3.25. This scholarship is not automatically renewable; however, recipients may reapply for consideration each year for up to four consecutive years, pending receipt of proof of continued enrollment (no pre-med, veterinarian, or physician assistant), and after the first semester, an annual transcript review indicating a minimum GPA of 3.25. For more information or to apply, please visit the scholarship provider's website.

Amount: \$5,000

Deadline: January 31, 2023

DAR Edward G. and Helen A. Borgen Elementary and Secondary Teacher Education Awards

The Edward G. and Helen A. Borgens Secondary Teacher Scholarship is a one-time preferred amount of up to \$1,500 awarded to one student who is twenty-five (25) years of age or older. Applicants must be studying to teach at the secondary school level. Applicants must have at least a 3.5 GPA, be at least a college sophomore, and attend or plan on attending an accredited college or university. The award is based on academic merit and is not automatically renewable, however, recipients may reapply for consideration as long as they meet the eligibility requirements. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,500

Deadline: January 31, 2023

DAR Leo W. and Alberta V. Thomas Utz Scholarship - Math

The Leo W. and Alberta V. Thomas Utz Scholarship – Math is a scholarship in the amount of \$4,000 year for up to four consecutive years to students who are pursuing undergraduate or graduate degrees in Math. Renewal is conditional upon maintenance of a GPA of 3.25 based on a 4.0 scale used by the educational institution. An official transcript must be submitted to the Office of the Reporter General each year by July 10th or the scholarship is forfeited. This scholarship is renewable to recipients who maintain a 3.25 GPA. Applicants must be US citizens. For more information or to apply, please visit the scholarship provider's website.

Amount: \$4,000 a year

Deadline: January 31, 2023

Deadline: January 31, 2023

[EPP Undergraduate Scholarship Program](#)

The EPP/MSI Undergraduate Scholarship provides funds for two years of undergraduate study majoring in Science, Technology, Engineering, and Mathematics (STEM) discipline related to NOAA's programs and mission. You must be a U.S. citizen or U.S. national who is either currently enrolled or accepted as a full-time student who is in their second year of a four-year academic program or a third-year student in a five-year program. at an accredited minority-serving college or university within the U.S. or U.S. territories. Applicants must earn and maintain a minimum 3.2 GPA.

This program includes coverage of travel and conference expenses during award recipients' junior and senior years. As part of the program, students complete an 11 week paid summer internship and training at NOAA in Silver Spring, MD, between May and July of the first summer. During the second summer, students complete a 10 week paid internship at NOAA facilities across the country. Students are paid a stipend and receive a housing allowance during summer internships. Recipients also attend a two-week orientation at NOAA in Silver Spring, MD, and begin their first summer internship in early June. At the end of both summer internships, students present the results of their projects at an Education and Science Symposium in Silver Spring, MD (travel expenses paid). For more information or to apply, please visit the scholarship provider's website.

Amount: \$45,000

Deadline: January 31, 2023

[Ernest F. Hollings Undergraduate Scholarship](#)

The Ernest F. Hollings Undergraduate Scholarship Program provides successful undergraduate applicants with awards that include academic assistance for two years of full-time study and a 10-week, full-time paid internship at an NOAA facility during the summer. Applicants must be U.S. citizens, currently enrolled or accepted as a full-time second-year student in a four-year academic program or as a full-time third-year student in a five-year undergraduate program at an accredited college or university within the U.S. or U.S. territories, have a minimum GPA of 3.0.

Applicant must have declared a major (and maintain that major) in a discipline including, but not limited to: oceanic, environmental, biological, and atmospheric sciences, mathematics, engineering, remote sensing technology, physical and social sciences including geography, physics, hydrology, geomatics, or teacher education that support NOAA's programs and mission. The internship between the first and second years of the award provides the scholars with hands-on, practical experience in NOAA-related science, research, technology, policy, management, and education activities. Awards also include travel funds to attend a mandatory NOAA Scholarship Program orientation and the annual Science & Education Symposium, scientific conferences where students present their research, and a housing subsidy for scholars who do not reside at home during the summer internship. For more information or to apply, please visit the scholarship provider's website.

Amount: \$19,000

Deadline: January 31, 2023

[HBCU Week x FOSSI STEM Scholarship](#)

The Future of STEM Scholars Initiative (FOSSI) is a program providing scholarships and professional development opportunities directed at furthering science, technology, engineering and math (STEM) education in students from underrepresented communities. If selected, the student will receive a \$40,000 scholarship award disbursed in the amount of \$10,000 per year, for four years.

Selected students will also receive internship preparation and placement, leadership training, mentoring and access to the AIChE student networking opportunities. Applicants must be high school seniors accepted as a full-time student at a historically Black college or university for the upcoming academic year, have a minimum 3.0 GPA, be a U.S. citizen or permanent resident, and be planning to pursue studies in a field associated with STEM, MIQA, technical or operation manufacturing. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000 per year

Deadline: January 31, 2023

[Herb Society of America Research Grant](#)

The purpose of the Research Grant Program is to further the knowledge and use of herbs. This grant supports the research of the horticultural, scientific, and/or medicinal use of herbs throughout history. Research must define an herb as historically useful for flavoring, medicine, economic, industrial, or cosmetic purposes and have the potential to significantly increase the knowledge of the field. This grant is intended to support small, self-

contained research projects over a short period of time. Only U.S. residents may apply. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: January 31, 2023

[HIV League Scholarship](#)

The HIV League Scholarship is the only national scholarship for students living with HIV. It recognizes the immense potential of its scholars, and aims to build their knowledge, skills, and leadership. Every World AIDS Day (December 1st of every year), The HIV League releases the application for the HIV League Scholarship. Each applicant may choose one of three scholarship options when they apply. Applicants must be matriculated as a full-time or part-time student in an institution of higher education in the United States of America or US territory for at least one year starting the Fall semester following the application submission deadline. For more information or to apply, please visit the scholarship provider's website.

Amount: Varies

Deadline: January 31, 2023

[IEEE Aerospace & Electronics Systems Society Scholarship](#)

The IEEE Aerospace & Electronics Systems Society Scholarship is for studies in Electrical Engineering (Undergraduate) and Systems Engineering (Graduate). Undergraduate Student: Two Annual Awards of \$10,000 USD and a certificate. Funds will be paid to the school on behalf of the student. Funded by the IEEE Aerospace and Electronic Systems Society. The award will be presented at an appropriate IEEE AESS conference. Travel assistance for the recipient to attend an awards ceremony is not provided.

Evaluations will be based on the application and stated financial need. The application shall include an essay on why these fields of study are important and how the applicant could have an impact in these fields. At least 3 letters of recommendation shall be provided, two of which shall be from current or former university professors who taught the applicant or know them personally. IEEE student members studying electrical/electronics engineering at the undergraduate level or first professional degree, and systems engineering at the graduate level, from an accredited university, with no other scholarships and a cumulative grade point average (GPA) of 2.8 (7.5 in select countries) or above. No relatives of current members of the IEEE Board of Directors, the Aerospace & Electronic Systems Society Governing Board, the IEEE AESS Scholarship Committee, or IEEE staff may be

candidates or may nominate or endorse candidates for this Scholarship. For more information or to apply, please visit the scholarship provider's website.

Amount: \$80,000

Deadline: January 31, 2023

[Toshiba/NSTA ExploraVision Science Competition](#)

Students work in groups of two, three or four, and are guided by a team coach and an optional mentor. Each team selects a technology, or an aspect of a technology, which is present in the home, school, or community, or any other technology relevant to their lives. They will explore what the technology does, how it works, and how, when, and why it was invented. The students must then project into the future what that technology could be like 10 or more years in the future and determine what scientific breakthroughs need to occur to make it a reality. Entrants must be full time student, currently enrolled in and attending a public, private, or home school in the United States. They must be younger than 21 years old, and must only submit one project per year. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: January 31, 2023

[William B. Ruggles Journalist Scholarship](#)

A \$2,000 scholarship is awarded annually to the student who exemplifies the dedication to principle and high journalistic standards of the late Mr. Ruggles. Eligible applicants must: be pursuing a degree in journalism or related studies, and demonstrate an understanding of the principles of voluntary unionism and the economic and

social problems of compulsory unionism by submitting an essay of approximately 500 words. For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,000

Deadline: January 31, 2023

[William Robert Findley Graduate Chemistry Scholarship](#)

The William Robert Findley Graduate Chemistry Scholarship is a one-time preferred amount \$2,000 scholarship for a student attending graduate school full time in an accredited college or university and majoring in chemistry. The applicant must have a minimum GPA of 3.25. The scholarship is not automatically renewable, however, recipients may reapply for consideration each year. For more information or to apply, please visit the scholarship provider's website.

Amount: \$2,000

Deadline: January 31, 2023

Section III INTERNSHIPS / FELLOWSHIPS

January Fellowships

[Department of Energy Computational Science Graduate Fellowship](#)

The Department of Energy Computational Science Graduate Fellowship is open to U.S. citizens or lawful permanent residents who plan full-time, uninterrupted study toward a Ph.D. at an accredited U.S. university. Applications from students in engineering and the physical, computer, mathematical or life sciences who meet the following eligibility requirements are encouraged to apply. The fellowship provides four years of support, but must be renewed each summer. During the fellowship period, fellows are required to be enrolled as full-time

graduate students at an accredited U.S. college or university and conduct research in areas of interest to the DOE. The summer should be spent conducting full-time research related to the completion of one's degree program, enrolled in classes or on a practicum assignment.

Amount: A yearly stipend of \$45,000, Payment of full tuition and required fees during the appointment period (at any accredited U.S. university), An annual \$1,000 professional development allowance

Deadline: January 18, 2023

[Boren Fellowships](#)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. In exchange for funding, Boren Awards recipients commit to working in the federal government for at least one year after graduation. For more information or to apply, please visit the scholarship provider's website.

Amount: \$25,000 for 25-52 weeks

Deadline: January 25, 2023

[NLM Associate Fellowship Program](#)

The National Library of Medicine Associate Fellowship is a one-year residency program (with an optional second year) for recent library science graduates interested in a career in health sciences librarianship. Eligible applicants must have a Master's degree in an ALA-accredited library/information science program, earned by August of the year of appointment or within 2 years, and must be Canadian or American citizens. For more information or to apply, please visit the scholarship provider's website.

Amount: \$61,947

Deadline: January 27, 2023

APS/IBM Research Internship for Undergraduate Women and Underrepresented Minorities

The American Physical Society and IBM co-sponsor two undergraduate research internship programs: the APS/IBM Research Internship for Undergraduate Women, and the APS/IBM Research Internships for Underrepresented Minority Students. The goal of these internships is to encourage women and underrepresented minorities to pursue graduate studies in science and engineering. Any student who identifies as a woman and an underrepresented minority is eligible to apply to both internships.

Amount: \$8,000

Deadline: January 31, 2023

ASA Minority Fellowship Program

Through its Minority Fellowship Program (MFP), ASA provides a stipend of \$20,000 for each annual award (August 1-July 31) and works with departments to try to arrange for the payment of tuition for the academic year. The Fellowship includes designated cohort programming at the ASA Annual Meeting, travel support for scientific conferences, and the opportunity to become part of a distinguished network of sociologists. Eligible applicants must be enrolled in or have completed one full academic year in a sociology program and be pursuing a doctorate. A complete application consists of the following: Completed fellowship application; Two essays; Completed academic checklist; Completed current and pending support report; Curriculum Vitae; Transcript from PhD-granting institution (unofficial is acceptable); Three letters of recommendation (instructions are provided). Candidates must be citizens or non-citizen nationals of the U.S., have been lawfully admitted to the U.S. for permanent residence, or be eligible under DACA. For more information or to apply, please visit the scholarship provider's website.

Amount: \$20,000

Deadline: January 31, 2023

Fellowship Search

National Endowment for the Humanities

Fellowships support individuals pursuing advanced research that is of value to humanities scholars, general audiences, or both. Recipients usually produce articles, monographs, books, digital materials, archaeological site reports, translations, editions, or other scholarly resources in the humanities. Projects may be at any stage of development.
