CONGRESSWOMAN TERRI SEWELL'S
GUIDE to GRANTS
ALABAMA'S 7TH DISTRICT

April 15

SCHOLARSHIPS INTERNSHIPS FELLOWSHIPS

Welcome to the *Guide to Grants-Scholarship Edition!*

I am honored to represent the 7th Congressional District of Alabama. It is my top priority to provide you with the information needed to ensure that every student has the resources needed to reach their God-given potential.

With the cost of college tuition at an all-time high, securing scholarships and other means of financial assistance is more important than ever before.

I am thrilled to provide information to students and parents, by identifying available scholarships, internships, and fellowships.

The **Guide to Grants-Scholarship Edition** is also a resource for institutions of higher education to provide financial opportunities for students, by submitting information to our grants department @ Yolanda.clayton@mail.house.gov

This guide will include links to agencies and resources to help make your search for financial education assistance more successful.

Stay up to date with the latest information at <http://sewell.house.gov> Please continue to let us know when grants/scholarships are awarded, especially if you found the opportunities in the *Guide to Grants*.

For more information, please visit our website at <http://sewell.house.gov>. To subscribe to *Guide to Grants*, sign up on our [website](#) or call us at 205.254.1960.

SCHOLARSHIP ALERT!

[Cameron Impact Scholarship](#)

The Cameron Impact Scholarship is a four-year, full-tuition, impact-driven undergraduate scholarship awarded annually to 10-15 exceptional high school students who have demonstrated excellence in leadership, community service, extracurricular activities, and academics. The Cameron Impact Scholar is unique among their peers in their desire to directly impact their communities and in the world at large. Our Scholar aspires to contribute to positive forces for change and plans to tailor their education to that end. The Cameron Impact Scholarship covers the full tuition, fees, and books at any accredited U.S. based college or university that the recipient chooses to attend.

Through the Cameron Impact Scholarship, the Bryan Cameron Education Foundation seeks to invest in exceptional individuals who will make a notable impact in their varied professional and personal relationships throughout their entire lives. Applicants must be high school seniors at the time of the deadline and graduate high school the following spring. Must be planning to enroll in a full-time course of study toward a bachelor's degree at an accredited four-year U.S. college or university for the full academic year following high school graduation, be U.S. citizens, excel in a broad variety of extracurricular activities, demonstrate active participation in community service and have a minimum unweighted GPA of 3.7 out of 4.0.

Amount: \$100,000

Deadline: May 19, 2023

[Girls Start Up Business Plan Competition](#)

The Girls Start Up Business Plan assists our participants in setting up social enterprise business ideas that will impact the community in which they live, play, learn and work. Participants will have the opportunity to create a start-up business and website with help from our friends at Wix.com, present their business website to Corporate Judges, and receive college prep resources/mentorship. Chosen finalists will be flown out to Miami, FL for free to pitch their business plan idea to Corporate Partners and win up to \$10,000! Top 10 Finalist will be provided an all expense paid trip to Miami, Florida July 25-26th to present in-person to the Grant Cardone team. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: May 19, 2023

[The John Galt Scholarship for Future Supply Chain Leaders](#)

The John Galt Solutions Scholarship for Future Supply Chain Leaders helps pay tuition fees for those studying either supply chain management or business forecasting. Applicants must be a current undergraduate student at an accredited higher education institution in the United States or Canada for the current academic year and be enrolled full-time in supply chain management or similar major with the intention of seeking a career in the supply chain field. At this time we are not accepting applications from post-graduate students.

The purpose of the scholarship is to help support the next generation of expert forecasters, demand planners and supply chain leaders. The scholarship will be given in the form of a check made out to the educational institution that you're enrolled in. Citizenship of the US or Canada isn't required as long as they are attending school in one of those countries.

Amount: \$10,000

Deadline: June 1, 2023

[CrowdStrike NextGen Scholarship Program](#)

CrowdStrike's NextGen Scholarship Program provides financial assistance to select undergraduate and graduate students studying cybersecurity and/or artificial intelligence (AI) in the US or Canada. NextGen Scholarship applicants will also be included in the candidate pool for CrowdStrike internships, giving aspiring students both greater access to world-class education and marketable, real-world experience in one of today's most critical and fastest growing industries.

Applicants for the scholarship must be current undergraduates, graduate students or high school seniors who will be enrolled full-time at a college/university in the United States or Canada in the fall of the year the scholarship is awarded, majoring in cybersecurity or AI and achieving a minimum 3.0 GPA. Recipients will be evaluated based on academic achievement, essay content, expressed career interest and work/internship/volunteer experience in cybersecurity, AI or related fields.

Amount: \$10,000

Deadline: June 2, 2023

May Scholarships

[Anna N. Dosen Serbian Educational Fund](#)

The Anna N. Dosen Serbian Educational Fund was established at The Pittsburgh Foundation to provide educational scholarships beyond the high school level to students of Serbian background majoring in the field of engineering or health science. Previous recipients are encouraged to re-apply in consecutive years. Eligible applicants must be a graduating senior or be an undergraduate student who is pursuing a degree or studies in engineering and health sciences or plan to attend an accredited vocational or technical trade school or 2-or 4-year college or university. Applicants must have a minimum 2.0 GPA. Preference will be given to students of Serbian ethnicity.

Scholarships are available for graduating high school seniors, undergraduates, graduate, medical and professional school students who are attending community colleges, four-year universities, graduate schools, and career/technical schools. For more information or to apply, please visit the scholarship provider's website.

Amount: \$3,000

Deadline: May 16, 2023

[Arizona Elk Society Annual Youth Scholarships](#)

The Arizona Elk Society has chosen to provide scholarships to high school seniors and college students. The AES desires to support students pursuing a degree in wildlife sciences or other closely related fields. These scholarships are available to students who will attend or are already attending accredited colleges and universities. Applicants must have a 2.7 GPA. For more information or to apply, please visit the scholarship provider's website.

Amount: Varies

Deadline: May 16, 2023

[Hsiao Memorial Economics Scholarship](#)

Applicants must be a graduate student attending an accredited U.S. college or university in the coming fall who is pursuing a graduate degree in the social sciences and economics. Preference is given to students pursuing a career in economics and also to research/study topics that benefit Asians or Asian Americans, especially those in social/economic need. Applicants with Asian heritage are preferred, and all applicants must have a minimum 3.0 GPA, be U.S. citizens or permanent residents, and demonstrate financial need. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,000

Deadline: May 16, 2023

[Presbyterian Study Grant](#)

Applicants of the Presbyterian Study Grant must be full-time M.Div. or M.A.C.E. students attending a Presbyterian Church U.S.A.-related seminary at participating institutions. M.Div. students must be enrolled as Inquirers or Candidates by PC(USA) presbyteries before the application deadline to be considered for an award. Students who have an M.Div. or M.A.C.E. and are working on a second degree will not be considered for the award. Must demonstrate financial need. For more information or to apply, please visit the scholarship provider's website.

Amount: \$6,000

Deadline: May 16, 2023

[LGBTQA+ Fashion Scholarship](#)

In an effort to encourage LGBTQA+ high school students to pursue a career in the fashion industry—whether in fashion design, marketing, merchandising, or other related fields—we offer an incentive through our scholarship program. Students must be at least a high school senior and have a 3.25 GPA. Students must submit all relevant materials, and have a desire to work in the industry after graduation. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,000

Deadline: May 17, 2023

ACAA Educational Foundation Scholarship

The American Coal Ash Association Educational Foundation (ACAAEF) is accepting applications for scholarships from students with an interest in the beneficial use of coal combustion products (CCP). Both graduate and undergraduate students are invited to apply. The awards will be based on essays, coursework, academic credentials, and recommendations. Essays may discuss a wide variety of topics ranging from CCP management, engineering research, environmental regulation, environmental law, case histories, or other aspects of beneficial use. Two scholarships are available: a one-time \$5,000 award and a one-time \$2,500 award to recognize outstanding students pursuing undergraduate or graduate degrees from an accredited program in the United States. For more information or to apply, please visit the scholarship provider's website.

Amount: \$5,000

Deadline: May 18, 2023

Cameron Impact Scholarship

The Cameron Impact Scholarship is a four-year, full-tuition, impact-driven undergraduate scholarship awarded annually to 10-15 exceptional high school students who have demonstrated excellence in leadership, community service, extracurricular activities, and academics. The Cameron Impact Scholar is unique among their peers in their desire to directly impact their communities and in the world at large. Our Scholar aspires to contribute to positive forces for change and plans to tailor their education to that end. The Cameron Impact Scholarship covers the full tuition, fees, and books at any accredited U.S. based college or university that the recipient chooses to attend.

Through the Cameron Impact Scholarship, the Bryan Cameron Education Foundation seeks to invest in exceptional individuals who will make a notable impact in their varied professional and personal relationships throughout their entire lives. Applicants must be high school seniors at the time of the deadline and graduate high school the following spring. Must be planning to enroll in a full-time course of study toward a bachelor's degree at an accredited four-year U.S. college or university for the full academic year following high school graduation, be U.S. citizens, excel in a broad variety of extracurricular activities, demonstrate active participation in community service and have a minimum unweighted GPA of 3.7 out of 4.0.

Amount: \$100,000

Deadline: May 19, 2023

[Dream Big Scholarship](#)

The Dream Big scholarship is awarded annually to a high-school senior that has been accepted into a college or trade school. The purpose of this scholarship is to offset college or trade school expenses when preparing for attendance. Applications are reviewed by a selection committee. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,000

Deadline: May 19, 2023

[Generation Google Scholarship](#)

The Generation Google Scholarship was established to help aspiring students pursuing computer science degrees excel in technology and become leaders in the field. Selected students will receive \$10,000 USD (for those studying in the US) or \$5,000 CAD (for those studying in Canada) for the coming school year. The Generation Google Scholarship will be awarded based on the strength of each candidate's commitment to diversity, equity, and inclusion, demonstrated leadership, and academic performance.

To be eligible to apply, applicants must: intend to be enrolled in or accepted as a full-time student in a Bachelors program at an accredited university or college in the United States or Canada for the academic year the scholarship is awarded; be studying computer science, computer engineering, or a closely related technical field; demonstrate a strong academic record; demonstrate financial need; and exemplify leadership and demonstrate passion for improving representation of underrepresented groups in computer science and technology.

Recipients of one of the following Google Scholarships: Generation Google Scholarship, Generation Google Scholarship: for women in gaming, Generation Google Scholarship: for supply chain and fulfillment, Google Lime Scholarship, Google Student Veterans of America Scholarship, Women Techmakers Scholarship for Computer Science, and Women Techmakers Scholarship for Gaming are not eligible to reapply.

Amount: \$10,000

Deadline: May 19, 2023

[Girls Start Up Business Plan Competition](#)

The Girls Start Up Business Plan assists our participants in setting up social enterprise business ideas that will impact the community in which they live, play, learn and work. Participants will have the opportunity to create a start-up business and website with help from our friends at Wix.com, present their business website to Corporate Judges, and receive college prep resources/mentorship. Chosen finalists will be flown out to Miami, FL for free to pitch their business plan idea to Corporate Partners and win up to \$10,000! Top 10 Finalist will be provided an all expense paid trip to Miami, Florida July 25-26th to present in-person to the Grant Cardone team. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: May 19, 2023

[Improving the Conversation Scholarship](#)

The Improving the Conversation Scholarship will be awarded to students who show exceptional promise as clinical audiologists as evidenced by the students' resumes, letters of recommendation, and personal statements. The Improving the Conversation Scholarships will be awarded only to full-time graduate students. For more information or to apply, please visit the scholarship provider's website.

Amount: \$5,000

Deadline: May 19, 2023

[Minority Corporate Counsel Association LMJ Scholarship Program](#)

The scholarship is open to women and diverse students who have: been accepted to an ABA-accredited law school on a full-time basis; an outstanding or promising academic record; an interest in corporate law; demonstrated community service and leadership qualities; a financial need; and a commitment to diversity, inclusion and equity. The LMJ Scholarship grants scholarships of \$10,000 to students for their first year of law school. In addition to financial support, LMJ scholars are connected with peers, alumni, and mentors, who are available to provide professional support, such as guidance on addressing academic or personal obstacles that arise over the course of their legal career. Applicants must complete the FAFSA as well as have a minimum cumulative GPA of 3.2 or higher. Applicants should also demonstrate interest in corporate law, including an interest in working in a corporate law department and/or law firm. For more information or to apply, please visit the scholarship provider's website.

Amount: \$10,000

Deadline: May 19, 2023

[NBCUniversal Tony Coelho Media Scholarship](#)

The NBCUniversal Tony Coelho Media Scholarship offers eight scholarships to be used in upcoming the fall semester to incoming and undergraduate students (at any accredited college or university), and graduate students with disabilities who are pursuing careers in media, communications, or entertainment industries that will be enrolled in college or a university during the Fall are eligible. Each recipient will receive financial aid to help cover the cost of education at their college or university. This scholarship has been named in honor of Tony Coelho, a former United States Representative from California and the primary author and sponsor of the Americans with Disabilities Act (ADA) in the House.

Amount: \$5,625

Deadline: May 19, 2023

[NCCF Survivor Scholarship Program](#)

The National Collegiate Cancer Foundation was established to provide services and support to young adults whose lives have been impacted by cancer and who have continued with their education throughout treatment or after their treatment. Applicant must be a cancer survivor or current patient between the ages of 18-35. An exception will be made if you are 17 and entering college in the fall following application.

Applicants must be a U.S. citizen or permanent resident who is attending or planning to attend an accredited college, university or vocational institution in pursuit of an associate, bachelor, master's, doctorate or certificate. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,000

Deadline: May 19, 2023

[NAACP X SA Scholarship](#)

Society Awards understands the importance and value of the arts and design community. Good design is a powerful tool and a strong competitive advantage. We launched this scholarship to encourage and support commercial art education in the United States. There is an incredible market need for talented artists to blend fine art, marketing and aesthetics.

We want to empower young adults to learn and grow in their artistic endeavors. These artists in training deserve support so that their vision may further beautify our world and our daily lives. When we focus on beautifying our environments, we elevate the human experience, and bring purpose to things that may otherwise feel mundane. It is the job of commercial artists to do just that.

Amount: \$5,000

Deadline: May 20, 2023

[NativeVision Scholarship](#)

Every year, NativeVision awards scholarships to outstanding Native American high school seniors with a commitment to education, athletics and leadership who are entering their first year of college in the Fall. Applicants must provide proof of tribal membership, or denote why proof is not applicable; demonstrate a sustained involvement in tribal community and an applied concern for Indigenous issues and initiatives; maintain a grade point average (GPA) of 3.0 or higher at the time of application; demonstrate involvement in extracurricular, athletic activities, and/or additional learned skills (e.g., languages, computer skills, software/programs fluent in, etc.), and be admitted to an accredited community college or four-year undergraduate program for the fall of the year the scholarship is offered.

Amount: \$5,000

Deadline: May 20, 2023

[Step Into Greatness Scholarship](#)

A stepping stone helps individuals reach a specific goal in life. Without stepping stones many entrepreneurs would not be as successful as they are today. A collective group of black-owned businesses have joined together to provide an opportunity for hardworking students making an impact in the community to further progress in their education and step into their greatness. Urban Business Directory, Infinite 7, BlueDrem, and Vegan Chef Ash are excited and honored to sponsor the Step into Greatness College Scholarship.

HBCU students will receive this scholarship to serve as an additional resource to assist with tuition, books, food or any other collegiate necessities. Applicants must be 18 years or older and actively enrolled in an accredited Historically Black College & University based in the United States. All applicants must complete the application form and submit verifiable records of enrollment. There is no minimum GPA requirement.

Amount: \$2,000

Deadline: May 23, 2023

[AbbVie Cystic Fibrosis Scholarship](#)

The AbbVie CF Scholarship recognizes exceptional students with Cystic Fibrosis who demonstrate academic excellence, community involvement, creativity, and the ability to serve as a positive role model for the Cystic Fibrosis community. Each year, AbbVie awards 40 scholars with \$3,000 each. Two of these students (an undergraduate and a graduate) are then selected to receive a Thriving Student Scholarship, winning an additional \$22,000 each.

This scholarship is designed for students with Cystic Fibrosis pursuing an undergraduate degree (Associate's/2-year college, Bachelor's/4-year college, trade school/vocational school) or graduate degree (Master's, Doctorate) during the academic year. Applicants must have completed high school or obtained a General Educational Development (GED) certification on or before June. Students applying for the scholarships must be enrolled in an undergraduate or graduate program in the school year the scholarship is awarded. Students in their final semester of undergraduate study may only apply if they will be pursuing a graduate program in the following school year. Both full-time and part-time students may apply.

Amount: \$3,000

Deadline: May 25, 2023

[Bob Glenn Scholarship in Statistical Meteorology](#)

To be eligible for the Bob Glenn Scholarship in Statistical Meteorology, applicants must: be an undergraduate (in their junior year or higher); be US citizens, or students with residence status, attending a US accredited college or university; and not be past recipients of this scholarship. Applicants must ensure that all application materials, including transcripts and recommendation letters, are received by the closing date. The intent for this scholarship is to support someone who has a true interest in statistics and might be interested in a career in meteorology related to statistics.

The Bob Glahn Scholarship in Statistical Meteorology was established by Dr. Bob (Harry R.) Glahn in 2012. The Bob Glahn Scholarship in Statistical Meteorology may be awarded in an amount up to \$2,500 per year to one or more qualified students to cover qualified education expenses such as tuition, fees, and course-related expenses such as books, supplies, and equipment. Applicants must have one or more semesters to complete after the scholarship is awarded.

Amount: \$2,500

Deadline: May 25, 2023

[David Sankey Minority Scholarship in Meteorology](#)

To be eligible for the David Sankey Minority Scholarship in Meteorology, applicants must: be a minority undergraduate (going into their sophomore year or higher in the fall) or graduate student who is majoring in meteorology (or related field); be US citizens, or students with residence status, attending a US accredited college or university; and not be past recipients of this scholarship. Applicants must ensure that all application materials, including transcripts and recommendation letters, are received by the closing date.

The David Sankey Minority Scholarship in Meteorology honors the legacy of NWA Charter Member David Sankey (1946-2000). The David Sankey Minority Scholarship in Meteorology may be awarded in an amount up to \$1,000 per year to one qualified student to cover qualified education expenses such as tuition, fees, and course-related expenses such as books, supplies, and equipment. Applicants must have one or more semesters to complete after the scholarship is awarded.

Amount: \$1,000

Deadline: May 25, 2023

[Dr. Roderick A. Scofield Scholarship in Meteorology](#)

To be eligible for the Dr. Roderick A. Scofield Scholarship in Meteorology, applicants must: be an undergraduate (going into their junior year or higher in the fall) or graduate student that is majoring in meteorology (or related field); be US citizens, or students with residence status, attending a US accredited college or university; and not be past recipients of this scholarship. Applicants must ensure that all application materials, including transcripts and recommendation letters, are received by the closing date.

The Dr. Roderick A. Scofield Scholarship in Meteorology is provided by a generous donation from Mrs. Joyce Scofield and other family members of the late Dr. Roderick Scofield (1942-2006). The Dr. Roderick A. Scofield

Scholarship in Meteorology may be awarded in an amount up to \$1,000 per year to one qualified student to cover qualified education expenses such as tuition, fees, and course-related expenses such as books, supplies, and equipment. Applicants must have one or more semesters to complete after the scholarship is awarded.

Amount: \$1,000

Deadline: May 25, 2023

[Ken Reeves Memorial AccuWeather Undergraduate Scholarship](#)

To be eligible for the Ken Reeves Memorial AccuWeather Undergraduate Scholarship, applicants must: be an undergraduate going into their sophomore year or higher in the fall (graduate students are not eligible for this scholarship); be US citizens, or students with residence status, attending a US accredited college or university; and not be a past recipient of this award. Applicants must ensure that all application materials, including transcripts and recommendation letters, are received by the closing date. The Ken Reeves Memorial AccuWeather Undergraduate Scholarship in Meteorology may be awarded in an amount up to \$1,000 per year to one qualified student to cover qualified education expenses such as tuition, fees, and course-related expenses such as books, supplies, and equipment.

Amount: \$1,000

Deadline: May 25, 2023

[NWAf Broadcast Meteorology Scholarship](#)

To be eligible for the NWAf Broadcast Meteorology Scholarship, applicants must: be an undergraduate going into their sophomore year or higher in the fall (graduate students are not eligible for this scholarship); be US citizens, or students with residence status, attending a US accredited college or university; and not be past recipients of this award. Applicants must ensure that all application materials, including transcripts and recommendation letters, are received by the closing date.

The NWAf Broadcast Meteorology Scholarship is an opportunity for talented students who plan to pursue a career in broadcast meteorology. The NWAf Broadcast Meteorology Scholarship may be awarded in an amount up to \$1,000 per year to one qualified student to cover qualified education expenses such as tuition, fees, and course-related expenses such as books, supplies, and equipment. Applicants must have one or more semesters to complete after the scholarship is awarded.

Amount: \$1,000

Deadline: May 25, 2023

[ACAA Educational Foundation Scholarship](#)

The American Coal Ash Association Educational Foundation (ACAAEF) is accepting applications for scholarships from students with an interest in the beneficial use of coal combustion products (CCP). Both graduate and undergraduate students are invited to apply. The awards will be based on essays, coursework, academic credentials, and recommendations. Essays may discuss a wide variety of topics ranging from CCP management, engineering research, environmental regulation, environmental law, case histories, or other aspects of beneficial use. Two scholarships are available: A one-time \$5,000 award and a one-time \$2,500 award to recognize outstanding students pursuing undergraduate or graduate degrees from an accredited program in the United States.

Amount: \$5,000

Deadline: May 26, 2023

[JCC Graduate Scholar Program](#)

JCC Association's Professional Development Scholarship Program is designed to help current, full-time JCC professionals deepen and enhance their professional knowledge to advance their career at a Jewish Community Center or Jewish Community Camp (JCC). Scholarships are available for the following: postgraduate degrees; certification in a specific area; or continuing education (ex. one class on a specific subject).

Recipients of JCC awards are master's degree students working to obtain their first degree. They must complete an internship/field placement at a JCC, and they must commit to working in a JCC for two years after graduation. To qualify for a JCC Association Professional Development Scholarship, you must meet both of these criteria: have completed at least one year of full-time employment in your current role at your JCC; and pursue a degree on a full- or part-time basis.

Amount: \$20,000

Deadline: May 26, 2023

[NCTA/AWMF Scholarship](#)

The NCTA/AWMF Scholarship allows a deserving female communications/media undergraduate student to create an original piece (digital short, video, animation, multi-media or other concept chosen by the student) that may be featured in NCTA and AWMF media distribution channels. Candidates must be attending an accredited university or college in the United States. In addition to completing the application, applicants must also submit a recommendation letter (from a professor or a journalism/media/communications professional) and proof of enrollment (via a copy of their student ID or transcript).

This scholarship serves to fund a promising student's education as well as to provide a unique and compelling piece for her resume. The student will also have the opportunity to meet high-level professionals in the media industry through the AWM event. The scholarship piece ultimately will be created with the guidance of NCTA representatives to ensure it is as compelling and high-quality as possible. The recipient will also receive and a ticket to attend the Gracies Leadership Awards.

Amount: \$10,000

[IIAR Founders' Engineering Scholarship](#)

The IIAR Founders' Engineering Scholarship is awarded to undergraduate students entering their junior or senior years and attending a four-year accredited college or university. To be eligible, applicants must: hold at least a minimum GPA of a 3.0 (on a 4.0 scale); have completed 45 semester credit hours (or equivalent) or 90 quarter credits at the time of application; and pursuing a degree relating to the field of industrial refrigeration (see website for eligible majors).

Apart from completing the application, applicants must also submit an official transcript and two letters of recommendation. The objective of the IIAR/ARF Founders Scholarship program is to attract outstanding engineering and technical students who are seeking careers in the refrigeration field. The scholarship also provides additional funds for registration, travel, lodging and meals associated with attending IIAR's Annual Natural Refrigeration Conference & Expo during the Spring of their junior year.

Amount: \$9,000

Deadline: May 31, 2023

Jerry Northern Scholarship in Pediatric Audiology

The Jerry Northern Scholarship in Pediatric Audiology will be awarded to full-time graduate students enrolled in an audiology (AuD, PhD, AuD/PhD) program and in good standing at a U.S. university. Applicants must be in at least their second academic year in the graduate program and have completed at least one course in pediatric audiology. Apart from the application, applicants must also submit a resume, include two letters of recommendation, and write a personal statement.

The Foundation is committed to doctoral students as they continue their academic career learning exceptional clinical skills and exploring contemporary avenues of research that will advance the treatment of people with hearing and balance problems. Our scholarships are funded by corporate, industry, and individual donors who support hearing and balance wellness. The American Academy of Audiology offers numerous scholarships to students pursuing studies in audiology. Criteria may vary by award.

Amount: \$10,000

Deadline: May 31, 2023

Leon Bradley Scholarship

The Leon Bradley Scholarship Program was established to encourage people of color to enter the field of teaching and school leadership. Candidates will be eligible for the award if they are in their final year of completing certification/endorsement requirements, including student teaching if applicable. The American Association of School Personnel Administrators (AASPA) believes that it is beneficial for all students to experience diversity among the educators who serve as role models for our students.

With the application, the following additional documentation must be submitted by the deadline: a copy of your transcript; a copy of your resume; a letter from a character reference; and a letter from the dean of the college of education or a designated representative of the program. AASPA will annually award up to two scholarships which are each individually worth \$3,500. AASPA is the only organization that specifically targets and represents school personnel professionals.

Amount: \$3,500

Deadline: May 31, 2023

LGBTQA+ Fashion Scholarship

In an effort to encourage LGBTQA+ high school students to pursue a career in the fashion industry- whether in fashion design, marketing, merchandising, or other related fields- BOMME Studio offers an incentive through their scholarship program. Each applicant must meet all of the following requirements: identify as lesbian, gay, bisexual or transgendered; be a U.S. citizen or permanent resident; and have a cumulative high school grade-point-average of at least a 3.25.

Besides completing the application, applicants must also submit: up to five sketches that demonstrate their sense of fashion; a cover letter; and an essay of at least 1,000 words on either Vision (describe your goals and action steps that you plan to take towards pursuing a career in fashion), Adversity (challenges have you faced and how you've overcome them to pursue your dreams) or Entrepreneurship (ideas that you have had to start a business in fashion).

Amount: \$1,000

Deadline: May 31, 2023

Lily Pabilona Emerging Entrepreneur Scholarship

The Lily Pabilona Emerging Entrepreneur Scholarship recognizes Asian American high school, graduate and post-graduate students pursuing a career in entrepreneurship. To be eligible, applicants must: have a 3.0 GPA; be of at least 25% Asian and/or Pacific Islander ethnicity; be a citizen, national or legal permanent resident of the US; have demonstrated leadership abilities through participation in community service, extracurricular, or other activities; not be a family member of a board member; own/operate a business; and provide a business plan and/or a link to business website along with all relevant social media accounts.

Selection is based on a rating system judged in five major categories. The candidate with the highest combined cumulative points will receive the scholarship. These categories are: quality of content submission (essay, artistic portfolio); academic performance; leadership/community service experience and contribution; letters of recommendation; and a phone/in-person committee interview. Funds will be disbursed directly to the educational institution in the student's name.

Amount: \$5,000

Deadline: May 31, 2023

Lisa Michelle Memorial Fund Scholarship

The Lisa Michelle Memorial Fund offers scholarships to students who have lost a parent to alcohol, drug or prescription drug abuse. To be eligible, applicants must: be a legal US citizen and enrolled in a college or university located in the US; have a 3.0 GPA; show proof of part-time or full-time enrollment (via proof of registration from the registrar's office, or a class schedule that has their name and student ID); and have never been a recipient of this scholarship before.

In addition to completing the application, applicants must also submit an essay of approximately 800-1500 words that describes the following (first and last name included at top of essay): how your parent or guardian passed away and how you got through that difficult time in your life; what your biggest challenges were being a student with a parent struggling from addiction; why you feel you should be awarded this scholarship; and how this scholarship will make a difference in your life.

OMEGA Scholarship

Through the generous sponsorship of the Massachusetts Institute of Technology (MIT) AgeLab and AARP Massachusetts, the MIT AgeLab's Opportunities for Multigenerational Exchange, Growth and Action (OMEGA) program is proud to offer five \$5000 college scholarships to recognize the efforts that teens are making to create multigenerational connections. The OMEGA Scholarship is intended to amplify and support students' contributions to building initiatives, organizations and institutions that connect teens with older adults. Applicants must be current U.S. high school juniors or seniors who are serving in initiatives connecting high school students and older adults.

Each award will include a \$5000 college scholarship to the winning student and \$1000 to the winning student's intergenerational initiative to support its activities. Both a completed application and a recommendation letter are required to apply for the scholarship. Application materials can be submitted via online form, email, or physical mail. Applications are due May 31st. Winners will be announced in August and will be invited to present their work at a virtual OMEGA scholarship awards reception, the date of which is to be determined.

Amount: \$5,000

Ridgeline International Community Scholarship

At Ridgeline International, we recognize and appreciate the immense amount of responsibility we have to give back to our community. We're excited to announce that one way we are doing this is through the Ridgeline International Scholarship Fund. In years past, we awarded up to three \$5,000 scholarships to students pursuing higher education in the science, technology, engineering, and math fields (STEM).

We value a number of qualities in our teammates, including grit, resilience, and agility. We want to properly recognize students who possess these attributes and take an active role in their community while contributing to the field of STEM. This scholarship fund is an extension of our internship program, in which students who are awarded a scholarship from Ridgeline may also be considered for future internship and full-time opportunities. Both graduating high school seniors and current undergraduate students are eligible to apply.

Deadline: June 1, 2023

[ConnectHER Film Festival](#)

The ConnectHER Film Festival is an international youth competition that welcomes short films about issues that impact women and girls. Before making a film for submission, please read all of the following entry requirements and FAQs. Films must focus on one of our topic areas listed on our website. Categories include global girls' education, women and work, ending violence against women, women refugees, women's global health issues, women and the environment, women, and girls in tech, and redefining beauty.

We accept every type of filmmaking form and style; whether animation or live-action, documentary or narrative. Filmmakers must be 13 to 25 years old at the submission date. That means that scripts, storyboards, directing, cinematography, editing, etc., must be done by people who meet this age requirement. Actors can be any age. Films must be original works that have not yet been screened at other major film festivals. Films must have been completed after January 1st of the year prior to entry and must be 3 to 6 minutes long. Film file formats accepted are .mov and .mp4. HD resolution and optimized sound quality are highly preferred. Digital submission through Google Drive is preferred, but WeTransfer or Dropbox also works. All films must be subtitled in English. Films must be submitted by the deadline to qualify. No late submissions will be accepted. If your film contains any graphic content, include a warning near the beginning of the film. ConnectHER has full discretion about accepting films, particularly in instances where film submissions contain nudity, profanity, violence, or sexually explicit content. PowerPoints will not be accepted. Films must have some cinematic value.

Amount: \$5,000

Deadline: June 1, 2023

[FFRF David Hudak Memorial Essay Contest For Freethinking Black Indigenous and Students Of Color](#)

The FFRF David Hudak Memorial Essay Contest For Freethinking Black Indigenous and Students Of Color is open only to Black, Indigenous and Students of Color ages 17-21, who are either high school seniors graduating in spring 2023 who will be attending a North American college or university in the fall, or who are currently enrolled in a North American college or university. If you will be graduating from college in the spring or summer, you remain eligible to enter this contest. This contest is offered to provide support and acknowledgment for freethinking Black, Indigenous and Students of Color, as a minority within a minority. People of Color refers to all racial groups that are not white. Specifically, any person who is not considered white, including African-Americans, Hispanic-Americans, Asian-Americans and others. FFRF offers other essay contests open to all students in your age group. Students may only enter one FFRF contest annually.

Prompt: Please write a first-person essay explaining your personal journey to becoming a nonbeliever (or about your experiences as a lifelong nonbeliever), including any challenges you've faced and why you're "glad to be godless." Discuss the personal advantage to individuals to be free from religion. You may wish to analyze how the use of reason over faith can also be an advantage for BIPOC communities and for social policies. Essay must be between 350-500 words in length.

Amount: \$3,500

Deadline: June 1, 2023

First Presbyterian Church of Shreveport Scholarship

First Presbyterian Church of Shreveport gives scholarships to seminary students to assist them on the path to becoming Presbyterian pastors. Preference is given to Presbyterian students attending Presbyterian-related theological schools. Those who receive a grant must re-apply the next year if they wish to be considered for a further grant. Receiving a grant in one year is not a guarantee of receiving a grant in subsequent years.

The scholarship application will ask for personal information, academic information, seminary institution information and financial information. In addition to completing the application, you must also submit: a letter of recommendation (Please, provide the name and contact information for a person who knows you in an academic setting and for a person who knows you in a church setting and who would be willing to recommend you. If you have a connection with First Presbyterian Church, Shreveport LA, please, provide that name and contact information.); and a personal essay/statement (600-word maximum) explaining what gives you hope about the future of the church.

Amount: \$4,000

Deadline: June 1, 2023

Gunvant & Bharati Parekh College Scholarship Award

Two scholarships will be awarded to students in the United States who are seniors in high school or current college students, who are actively enrolled in college as of September. The student must be of Indian origin and must demonstrate academic and personal excellence.

Amount: \$1,000

Deadline: June 1, 2023

Houtan Scholarship

To be eligible for the Houtan Scholarship, applicants must: have a working knowledge of Parsi and should demonstrate an active interest in Iranian culture, heritage and literature; be presently be attending or anticipate attending an accredited graduate school; have superior academic performance or a significant increase of academic performance over the course of their academic career; and demonstrate financial need. The award is offered for a combined fall and spring semester.

After the board has reviewed the application and other submitted documents, the finalists will be notified by mail or email. Each finalist must complete an interview, either by phone or in-person with the Foundation chairperson.

The recipient will be selected from the pool of finalists based on submitted documents, the interview and financial need; the recipient will be notified by mail or email. Once you are selected as a winner – you are expected to acknowledge the receipt of the notice and contact us by e-mail within a month of the date you receive the notice.

Amount: \$3,500

Deadline: June 1, 2023

[Joe Francis Haircare Scholarship](#)

To be considered for the Joe Francis Haircare Scholarship, an applicant must be currently applying for entrance into cosmetology/barber School, or be actively enrolled in a cosmetology/barber program. If you graduate from cosmetology or barber school between the dates of January 1st through August 31st of the current award year, you are not eligible. Esthetician or nail training students are also not eligible. All applicants are notified by email and/or postal mail of their status by the end of September.

The application will ask for the student's basic information, educational resume, work history, financial status and information about the cosmetology school. Apart from completing the application, you must also submit: essays to numerous questions (please try to limit your responses for each question to 250 words); and at least two letters of recommendation (your letters of recommendation should come from an employer, instructor, counselor, or someone qualified to offer testimony of your character). Though optional, a copy of your cosmetology/barber school's notice of acceptance into their program is also appreciated.

Amount: Varies

Deadline: June 1, 2023

[Katie Cannon Scholarship](#)

The Katie Cannon Scholarship honors the life and legacy of the Rev. Dr. Katie Geneva Cannon, a pioneer and legend in the Presbyterian Church (U.S.A.). This scholarship supports Presbyterian women of color, clergywomen, college women and other women with opportunities for leadership and spiritual development as well as mission opportunities in the Presbyterian Church (U.S.A.). Individuals must complete a scholarship application and provide supporting documentation to be eligible for funding.

Amount: \$3,000

Deadline: June 1, 2023

LeRoy Apker Award

The LeRoy Apker Award recognizes outstanding achievements in physics by undergraduate students, and provides encouragement to students who have demonstrated great potential for future scientific accomplishment. Two awards are presented each year, one to a student from a Ph.D. granting institution, and one to a student from a non-Ph.D. granting institution. The award consists of \$5,000 for the recipient, \$5,000 for their undergraduate institution's physics department to support undergraduate research, a certificate, and reimbursement for travel to an APS meeting to give an invited talk.

Nominations are open to students at colleges and universities in the United States who were enrolled as undergraduates during at least part of the 12-month period preceding the submittal deadline. Only one graduate may be nominated per department. The candidate should have completed or be completing the requirements for an undergraduate degree with an excellent academic record and should have demonstrated exceptional potential for scientific research by an original contribution to physics. Nominations are active for one year.

Amount: \$5,000

Deadline: June 1, 2023

National Veteran Achievement Program

Each year, the Jewish War Veterans of the USA sponsors an essay contest for current service members and veterans who plan to attend or are currently attending an accredited Associates, Bachelor's, or Nursing degree program. The National Achievement Program is for veterans or active duty personnel to go back to school. Several grants are awarded annually to applications. The National Achievement Program is open to anyone regardless of race, religion, creed, or culture. All veterans are eligible and must be legal residents of the USA.

In addition to completing the application, applicants must also submit: their most recent transcript (high school or college), a copy of a college acceptance letter, and proof of honorable military service, such as a copy of a DD-214, military ID card, etc.; and a 400-500 word essay explaining how their military experience help them pursue your career goals (essays must include basic information about the applicant). The Jewish War Veterans Foundation (JWVF) was created in 2010 as a way to directly give back to the veteran community and to support American active duty military personnel, as well as all honorably discharged veterans, and those who were physically and mentally wounded as a result of their service.

Amount: \$5,000

Deadline: June 1, 2023

National Videogame Museum Scholarship

The National Videogame Museum will award numerous different scholarships to students pursuing careers in gaming or technology-based fields. Applicants may apply for one or more scholarships but will only be awarded one scholarship total. The scholarships are non-renewable, single-term awards. To be eligible for the National Videogame Museum Scholarships, applicants must be a high school senior, have a 3.0 GPA and be a natural-born or naturalized US citizen. It is very important to note that the scholarship money will be paid directly to the educational institution specifically for tuition.

Besides completing the application, applicants must also submit: proof of residency (such as a driver's license or state-issued ID); one recommendation letter from a teacher (This letter should highlight any skills or experience related to technology, computer programming or videogame design the instructor may have first-hand knowledge of.); one recommendation letter from an unrelated community member (who can attest to the applicant's community involvement); and a 500-750-word essay explaining their academic and professional goals and how the scholarship will help to achieve them.

Amount: \$5,000

Deadline: June 1, 2023

PRCUA Education Scholarship

The PRCUA has established the Education Scholarship Program for eligible students. The PRCUA Education Scholarship will be awarded with the purpose of providing financial assistance to students to earn undergraduate, graduate or professional degrees. To be eligible, applicants must: be incoming sophomores, juniors, and seniors enrolled full-time in undergraduate study or those students enrolled in graduate or professional degree program; have a 3.0 GPA on a 4.0 scale or a 4.0 GPA on a 5.0 scale; and be either citizens of the United States or permanent residents.

In addition to completing the application, applicants must also submit: a recent, high-resolution headshot for marketing purposes (min. 300 dpi, at least 2"x3"); an official transcript; one letter of recommendation verifying the student's active celebration of Polish heritage (this cannot come from a relative); one letter of recommendation verifying the student's active community service (which also can't come from a family member); and answers to an interview portion and an assigned essay question.

Amount: Varies

Deadline: June 1, 2023

Soil and Water Conservation Scholarship

To be eligible for the Soil and Water Conservation Scholarship, applicants must: be a student enrolled in a North American (USA, Canada and Mexico) university; be an incoming junior or senior in a B.S. program or a M.S. candidate; and not be a former recipient of this award. Applicants will be evaluated on: their current scholastic accomplishments (classes taken, projects completed); their career goals in soil and water conservation; their work experiences in the field of soil and water conservation; the professor's support and acknowledgement of student's activities; and the student's vision of the importance of soil and water conservation in their near future.

To be able to apply for this scholarship, applicants must be nominated, either by themselves or by their professor. This Soil and Water Conservation Scholarship is meant to bring back into focus the vital necessity and passion for our discipline by encouraging current students to consider a career in soil and water conservation. The award is supported by funds from the Soil and Water Management & Conservation Division to the Agronomic Science Foundation and administered by SSSA.

[The Club Foundation Joe Perdue Scholarship](#)

The Club Foundation Joe Perdue Scholarship is offered to any individual who is actively seeking a managerial career in the club industry and is currently attending an accredited, four-year college or university undergraduate program. Candidates must provide strong evidence that they are pursuing managerial careers in the private club industry. A candidate must have completed their freshman year of college and be enrolled for the full upcoming academic year in an accredited four-year institution. In addition, the candidate must have achieved and continue to maintain a grade point average of at least 2.5 on a 4.0 scale, or 4.5 on a 6.0 scale.

following items will be needed to complete the online application: contact information (complete form fields requesting information such as contact information, school name, employment history, etc.); a 500-1000 word essay addressing specified topics; an official transcript; a list of extracurricular activities; two recommendation letters (one written/signed by a faculty advisor/professor on your institution/department letterhead, and the other one written/signed by a private club industry professional on club letterhead); and a resume.

Amount: \$2,500

Deadline: June 1, 2023

[The John Galt Scholarship for Future Supply Chain Leaders](#)

The John Galt Solutions Scholarship for Future Supply Chain Leaders helps pay tuition fees for those studying either supply chain management or business forecasting. Applicants must be a current undergraduate student at

an accredited higher education institution in the United States or Canada for the current academic year and be enrolled full-time in supply chain management or similar major with the intention of seeking a career in the supply chain field. At this time we are not accepting applications from post-graduate students.

The purpose of the scholarship is to help support the next generation of expert forecasters, demand planners and supply chain leaders. The scholarship will be given in the form of a check made out to the educational institution that you're enrolled in. Citizenship of the US or Canada isn't required as long as they are attending school in one of those countries.

Deadline: June 1, 2023

[The Patrick S. O'Neale, PE Engineering Scholarship](#)

The Patrick S. O'Neale, P.E. Engineering Scholarship Award is open to students pursuing civil or environmental engineering who are attending a 4-year college or university, with preference given to those candidates whose programs of study are related to water works practice. The Scholarship Committee will select recipients from applicants who are pursuing a Bachelor of Science degree in Civil or Environmental Engineering at an accredited academic institution in the United States.

The Scholarship Committee will score applicants who have a specialized interest in pursuing a career related to water works practice. Those applicants will be scored higher than general Civil or Environmental Engineering students. Applicants will also be judged on GPA, Volunteerism in School/Community and Content of Essay. The applicant cannot be a prior recipient of the scholarship.

Amount: \$1,000

Deadline: June 1, 2023

[William J. Schulz Memorial Essay Contest for College-Bound High School Seniors](#)

The William J. Schulz Memorial Essay Contest for College-Bound High School Seniors is open to seniors who will be attending a North American college or university in the fall. Applicants must write a personal statement about why you trust science over faith, and why you think society should do the same. Please include an example of how religious faith has obstructed science or analyze a historic or current issue related to religion vs. science, such as with the pandemic, stem-cell research, climate change, medical (and psychiatric) science, etc.

Winners may be asked to send verification of student enrollment. Students are required to submit their essay via the online application, and should carefully review all contest rules. This is also open to students who took a gap year or semester off, and if you are a person of color, you may enter this contest or a different scholarship.

Amount: \$3,500

Deadline: June 1, 2023

[CrowdStrike NextGen Scholarship Program](#)

CrowdStrike's NextGen Scholarship Program provides financial assistance to select undergraduate and graduate students studying cybersecurity and/or artificial intelligence (AI) in the US or Canada. NextGen Scholarship applicants will also be included in the candidate pool for CrowdStrike internships, giving aspiring students both greater access to world-class education and marketable, real-world experience in one of today's most critical and fastest growing industries.

Applicants for the scholarship must be current undergraduates, graduate students or high school seniors who will be enrolled full-time at a college/university in the United States or Canada in the fall of the year the scholarship is awarded, majoring in cybersecurity or AI and achieving a minimum 3.0 GPA. Recipients will be evaluated based on academic achievement, essay content, expressed career interest and work/internship/volunteer experience in cybersecurity, AI or related fields.

Amount: \$10,000

Deadline: June 2, 2023

[National Ocean Scholar Program](#)

This scholarship program is to provide tuition assistance for NOSB students who have an interest in pursuing an ocean or a marine related topic area in their post-high school education. Applicants must be high school seniors who participate in the NOSB at least once during their high school career, have a career goal in the ocean sciences or a marine-related field, and demonstrate academic success and integrity.

Apart from completing the application, qualified students are required to submit the following materials by email (PDFs preferred): an official transcript (if the student's GPA is not on a 4.0 scale, the student must provide a conversion to the 4.0 grade scale signed by their principal or counselor); an official score sheet / results from either the SAT or the ACT; two recommendation letters (one must be from an academic source, such as a teacher or a coach); two essays on assigned topics; and proof of admission to an institution of higher learning (if available currently).

Bow Seat Ocean Awareness Student Contest

The annual Ocean Awareness Contest is a platform for young people to learn about environmental issues through art-making and creative communication, and become advocates for positive change. Students are invited to create Visual Art (any medium), Creative Writing, Film, Interactive & Multimedia, Performing Arts: Music & Dance, and Poetry & Spoken Word that explores their connection to water and creatively communicates the need to protect this vital resource.

This is an international Contest and is open to students ages 11-18 who are enrolled in middle school or high school (or the homeschool equivalent) worldwide. Proof of age, identity, or eligibility may be required. Students who have started college or university are not eligible to participate in the Contest. Students ages 11-14 may enter

the Junior Division. Students ages 15-18 may enter the Senior Division. Please enter the age division based on your age at the time of entry. Participants under the age of 13 must have a parent or legal guardian complete a Children's Online Privacy Protection Act (COPPA) Parent/Guardian Consent Form with their submission.

Amount: \$1,500

Deadline: June 13, 2023

[FMAA Scholarship Program](#)

The FMAA Scholarship Program is an annual program offering college scholarships to graduating high school seniors who have thoughtfully and creatively shared what the American flag means to them through original videos. The FMAA Scholarship Program gives high school seniors an opportunity to express their feelings regarding the flag and their own views on patriotism, as well as raising awareness of the "Made in the USA" issue. Eligible applicants must be planning to attend a college or vocational school.

To apply for this scholarship, applicants must: create a 45-60 second video answering an assigned question; complete the application, video release form and upload their video to the FMAA website; and connect with FMAA on social media. Videos will be judged primarily on content and creativity. Videos must be original and created solely by the applicant and must not have previously been distributed publicly or won any award. Company officers and FMAA Board members and their families are excluded from entering this contest. This is a one-time award and is not renewable.

Amount: \$2,000

Deadline: June 14, 2023

[SABR Women in Baseball Scholarship](#)

Each year, SABR's Women in Baseball Committee is pleased to award a scholarship to high school seniors in its Women in Baseball Essay Contest. Students are asked to write an essay of 1,500 words or less addressing the following question: "Choose one person or event in women's baseball history that you believe has made a significant impact on the game and explain the importance." All applications must be e-mailed or postmarked and sent to Dr. Leslie Heaphy.

Applicants must be a current high school senior who is anticipating completion of high school diploma at time of application. Must be planning to pursue a degree at an accredited U.S. post-secondary institution and carry a minimum 2.5 GPA at the end of their junior year. The application must be completed in full to be considered.

Submission must include the application, essay, letter of recommendation from school administrator or teacher, confirmation of GPA, expected graduation, and list of activities involved in at school and community service. The Scholarship Committee of the Women in Baseball Committee will review all applications and make one selection. Only one essay per applicant.

Amount: \$500

Deadline: June 14, 2023

Section III INTERNSHIPS / FELLOWSHIPS

May Fellowships

[The Bayar Fellowship](#)

The fellowship is designed to support high school students who are interested in entrepreneurship and public service. The fellowship provides a \$250 - \$1,000 scholarship to financially support student professional development. This money would ideally be used to help students afford necessities such as professional attire, printers, and other professional needs and tools.

The scholarship winner will also be assigned a mentor from an Ivy League Institution who will help them with their college applications, academic progress, career development, and provide them with general college and career guidance and a curriculum which provides them with fundamental business and professional principles such as how to effectively interview, properly network, create resumes, write cover letters, and succeed in the professional world. For more information or to apply, please visit the scholarship provider's website.

Amount: \$1,000

Deadline: May 17, 2023

[AICPA Fellowships for Minority Doctoral Students](#)

The first step in becoming a CPA is to complete your higher education. Graduating from a nationally or regionally accredited college or university is strongly recommended. The AICPA is looking for scholarship applicants who are declared accounting, finance or related majors and intend to pursue the CPA license. Become an AICPA Legacy Scholar by applying for an AICPA Legacy Scholarship. If chosen, you'll be given funds to help pay for college and be offered exclusive professional development opportunities.

The AICPA Fellowship for Minority Doctoral Students ensures that CPAs of diverse backgrounds are visible in college and university classrooms. The program's goal is to increase the number of minority CPAs who serve as role models and mentors to young people in the academic environment. The AICPA Foundation awards annual fellowships of \$12,000 to full-time minority accounting Ph.D. scholars who demonstrate significant potential to become accounting educators.

Amount: \$12,000

Deadline: May 31, 2023

Francis D. Lyon Scholarship

The Francis D. Lyon Graduate Fellowship is awarded annually to a graduate student in the field of film making or a closely related field such as theatre/drama, writing or entertainment. Only graduate students are eligible to apply. Membership in Phi Delta Theta is not a requirement. The student is required to be enrolled in a college or university in the United States or Canada. Students of film making will be given first priority for the Lyon Fellowship. Other areas of consideration reflect on talent, academic excellence, and financial need. All applicants must submit a completed application, a work sample and a transcript (student copy will suffice).

Amount: \$2,500

Deadline: May 31, 2023

June Fellowships

[M. Hildred Blewett Fellowship](#)

The M. Hildred Blewett Fellowship is offered to female students to enable women to return to physics research careers after having had to interrupt those careers. The fellowship consists of a one-year award of up to \$45,000. Allowed expenses include dependent care (limited to 50% of the award), salary, travel, equipment, and tuition and fees. Overhead charges by the institution are not allowed. To be eligible, applicants must: have completed work toward a Ph.D.; provide written proof from a U.S. or Canadian institution that the applicant will have institutional affiliation during the tenure of the grant; and be a U.S. or Canadian citizen or legal resident, or resident alien eligible to work in the United States or Canada.

In selecting fellowship recipients, the following criteria will be considered: qualifications of the applicant; the status of career before their break; steps the applicant has taken to return to physics research; the relationship of the applicant to the research community; the relationship of the project and award to future plans; scholarly significance of the project; and the quality and feasibility of the project design and timeline. In addition to completing the application, applicants must also arrange for 1-3 recommendation letters (one of which may be from a designated mentor, must be uploaded through the application portal by person coordinating recommendation letter), and a letter of institutional support during the tenure of the grant.

Amount: \$45,000

Deadline: June 1, 2023

Fellowship Search

National Endowment for the Humanities

Fellowships support individuals pursuing advanced research that is of value to humanities scholars, general audiences, or both. Recipients usually produce articles, monographs, books, digital materials, archaeological site reports, translations, editions, or other scholarly resources in the humanities. Projects may be at any stage of development.
