Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Fultondale's project in Fiscal Year 2027, in the amount of \$1,500,000.00. The entity to receive funding for this project is the City of Fultondale, located at P.O. Box 699 Fultondale, AL 35068. The purpose of this request is to purchase a new front-line fire engine and associated firefighting and rescue equipment for Fultondale Fire & Rescue.

This project is a valuable use of taxpayer funds because it directly supports public safety, emergency preparedness, and community resilience by ensuring firefighters have the equipment necessary to respond quickly and effectively to emergencies. The investment will improve response reliability, reduce risk to firefighters, and enhance the City of Fultondale's ability to protect lives and conserve property. This infrastructure is vital to the community's development.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell  
Member of Congress
