Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Ben Thompson Road Drinking Water Project in fiscal year 2024. The entity to receive funding for this project is the Wilcox County Water and Sewer District, located at 12 Water Street, Camden, AL 36726. The funding would be used for the installation of water lines, a booster pump, and a small water reservoir to serve a rural community that does not have access to a safe and reliable source of potable water. The project is an appropriate use of taxpayer funds because this project will provide essential infrastructure to a rural underserved community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell
Member of Congress
