The Honorable Mike Rogers
Ranking Member
Committee on Armed Services
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Smith and Ranking Member Rogers:

I am requesting funding for the construction of the F-35 Weapons Load Crew Training Facility at Montgomery Regional Airport Base in fiscal year 2023. The entity to receive funding for this project is \$6,800,000, located at the 187th Fighter Wing, 5187 Selma Highway, Montgomery, AL 36108.

The funding would be used to construct a Weapons Load Crew Training Facility to accommodate the mission of the facility. Currently, the installation does not possess a dedicated facility for weapons load crew training. Presently, training is performed within a corrosion control or other borrowed aircraft maintenance facility. This arrangement impacts both the ability to train weapons load crews and certify their continued readiness but also the ability to maintain aircraft and ultimately generate sorties.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Terri A. Sewell
Member of Congress
