The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Center Point Senior Center project in Fiscal Year 2027. The entity to receive funding for this project is the City of Center Point, located at 2209 Center Point Parkway, Center Point, AL 35215. The funding would be used to remodel and expand the Center Point Senior Center to better accommodate the increasing number of seniors in the community. The project is an appropriate use of taxpayer funds because these investments will improve safety and increase senior participation in community events.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell  
Member of Congress
