The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Montgomery, AL Community and Neighborhood Revitalization Project in fiscal year 2024. The entity to receive funding for this project is the city of Montgomery, AL located at 103 N Penny Street, Montgomery, AL 36104. The funding would be used for the revitalization of underserved communities with the improvement to existing parks and installation of lighting/signage in the downtown area. The project is an appropriate use of taxpayer funds because it will provide overdue investment and improvement to public recreational areas within the city.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell  
Member of Congress
