The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-305, the Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Eutaw's project in Fiscal Year 2027, in the amount of \$1,700,000.00. The entity to receive funding for this project is the City of Eutaw, located at 116 Main Street, Eutaw, Alabama 35462. The purpose of this request is to create a central community hub that brings residents together socially, culturally, and economically.

This project is a valuable use of taxpayer funds because it is a strategic investment that consolidates resources into one shared space, maximizing efficiency and reducing duplication of costs. This unified approach ensures that every dollar invested serves multiple community purposes, increasing the overall return on public investment.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell  
Member of Congress
