The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Birmingham's project in Fiscal Year 2027, in the amount of \$3,000,000.00. The entity to receive funding for this project is the City of Birmingham, located at 710 North 20th Street, Birmingham, AL 35203. The purpose of this request is to construct 100 affordable housing units.

This project is a valuable use of taxpayer funds because it directly supports affordable housing opportunities for senior citizens and strategically invests in community revitalization. This affordable housing tower will strengthen Birmingham's economic vitality and expand opportunity for continued community development in the neighborhood.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell
Member of Congress
