The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Homewood, AL Drainage Improvement Project in fiscal year 2024. The entity to receive funding for this project is the city of Homewood, AL West located at 2850 19TH St. S, Homewood, AL 35209. The funding would be used for the construction and installation of a stormwater culvert. This project would reduce the bottlenecking of the existing culvert that results in flooding on the street and on public property.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell
Member of Congress
