Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Selma Flood Risk Management and Bank Stabilization, AL project in fiscal year 2024. The entity to receive funding for this project is the Mobile District, U.S. Army Corps of Engineers, located at 109 St. Joseph Street, Mobile, AL 36628. The funding would be used for the construction of a Soldier-Pile Wall for bank stabilization. The project is an appropriate use of taxpayer funds because it protects structures in the downtown area from collapsing while also protecting historic sites of the Civil Rights Movement.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 14 of the Continuing Authorities Program and Public Law No: 117-263 (Subtitle D, Section 8401).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Terri A. Sewell
Member of Congress
