Host our 9th Annual Job Fair in Jefferson County to provide quality employment opportunities for constituents.

Work to promote trade policies that work for Alabama workers and businesses, including passage of the new U.S.-Mexico-Canada Trade Agreement.

Address income inequality by incentivizing economic development in underserved communities using tools like the NMTC and Opportunity Zones program.

Promote equal pay for equal work.

Continue to push the Alabama legislature to expand Medicaid to more than 320,000 Alabamians.

Support efforts to strengthen Medicare for generations to come.

Work to stabilize the Affordable Care Act.

Fight to address health disparities in rural and underserved communities.

Restore the full protections of the Voting Rights Act of 1965 by working to pass H.R. 4 in the Senate and into law.

Fight to hold the Trump Administration accountable.

In addition to the priorities listed above, Congresswoman Sewell also focuses on issues such as protecting Alabama’s workers, providing quality health care, and promoting economic development.

She is a strong advocate for ensuring equal pay for equal work and has worked to address income inequality by incentivizing economic development in underserved communities.

Congresswoman Sewell is also a strong supporter of the Affordable Care Act, which she believes is essential for providing quality health care to all Americans.

She is a vocal advocate for protecting Alabama’s workers and has fought to ensure that they are paid fairly for their hard work.

In addition to these priorities, Congresswoman Sewell is also committed to fighting for equal pay for equal work and has worked to address income inequality by incentivizing economic development in underserved communities.

She is a strong advocate for protecting the Affordable Care Act, which she believes is essential for providing quality health care to all Americans.

CONGRESSWOMAN TERRI A. SEWELL
ANNUAL REPORT 2020

"IT’S AN HONOR TO SERVE YOU IN CONGRESS!"

Our office mantra, "Constituents First," represents our deep commitment to ensuring we are always ready to assist you and your family throughout the year. Every day, our office works to address the needs and concerns of those living in Alabama’s 7th Congressional District. In 2019, the District received over $2.4 billion in federal grants and our office helped constituents recover more than $2.28 million in benefits owed to them by the federal government. Once again, I visited all 14 counties in the district, hosted 94 district events, including many town hall meetings, industry tours, forums, and workshops, I know how much potential our community holds for the future, and I am committed to helping our district prosper!

CONGRESSWOMAN TERRI A. SEWELL

Dear Friend,
This year was a rewarding success! The House of Representatives finalized the Emergency Coronavirus Response Act, the only bill to receive the highest rating possible (99%) from the Washington Post’s fact checker. In the House Ways & Means Committee, I led the fight against the Bush-era tax cuts and their government spending wishes to provide tax cuts to even more millionaires and billionaires.
In 2019, we continued to deliver for our constituents, hosting 94 district events, reporting $2.4 billion in federal grants to the District, and helping constituents recover more than $2.28 million in benefits owed to them by the federal government. Once again, I visited all 14 counties in the district, holding a number of town hall meetings, industry tours, forums, and workshops, I know how much potential our community holds for the future, and I am committed to helping our district prosper!

Thank you for your support. Sincerely,
