Congresswoman Terri A. Sewell Announces Judicial Nomination Process for Federal Judgeship Vacancy on the U.S. Court of Appeals for the Eleventh Circuit

Nov 7, 2013

BIRMINGHAM, AL – On Tuesday November 5, Congresswoman Terri A. Sewell (D-AL) announced she will accept applications for recommendations to fill the federal judgeship vacancy created by Judge Joel Dubina who will take senior status on United States Court of Appeals for the Eleventh Circuit. Applications are available online at www.alfedscreening.com and will be due on Monday, November 18.

Congresswoman Sewell has set up a Screening Committee for Federal District Judgeships in the State of Alabama to assist her with recommendations that will be made to the President to fill vacant federal judgeship positions in Alabama. The Screening Committee will include distinguished legal scholars, jurists and practitioners from the state of Alabama. The Screening Committee will review all applications, conduct interviews with applicants and make recommendations to Congresswoman Sewell. Nominations for federal judgeships are made solely by the President of the United States and all nominees must be confirmed by the United States Senate.

“Judge Joel Dubina was a fine jurist and I extend my heartfelt gratitude to him for his more than 22 years of service,” said Rep. Sewell. “Judge Dubina has served this nation and our state with distinction and I wish him well as he enters this next phase in his career.”

Congresswoman Sewell, Congressman Bachus Introduce Resolution Recognizing Birmingham's Veterans Day Celebration

October 30, 2013

WASHINGTON – Congresswoman Terri Sewell (AL-7) and Congressman Spencer Bachus (AL-6) today introduced a House resolution recognizing the significance of Birmingham’s Veterans Day commemorations

The resolution cites Birmingham as “home to the first and longest-running national celebration of Veterans Day.” National Veterans Day in Birmingham is now in its 66th year of paying tribute to the veterans who have served and sacrificed to protect America’s freedoms. The observance involves many events, including a parade through downtown Birmingham and the presentation of the National Veteran Award, which this year is being bestowed to the famed Tuskegee Airmen.

Congresswoman Sewell said, “Birmingham’s history of celebrating and honoring our nation’s brave service men and women is a tradition we are proud of. I am honored to introduce this resolution with Congressman Bachus in order to rightfully recognize Birmingham for its instrumental contributions to the establishment of National Veterans Day, the National Veterans Award, and the World Peace Luncheon. Birmingham’s steadfast recognition and celebration of our nation’s veterans serves as a compelling reminder of the role we all have in honoring those who defend and protect our democracy.”

Congressman Bachus said, “Birmingham has a long and proud history of honoring our esteemed veterans and truly is a role model for communities throughout our nation. It is my hope that our resolution will bring national attention to our continuing need to pay gratitude to those who have given their service, and even given their lives, to preserve the freedoms that we all are privileged to have as Americans. Our Veterans Day celebration in Birmingham is a tradition that we must cherish and support.”

The resolution cites the pivotal role that World War II veteran Raymond Weeks of Birmingham played in organizing the local celebration and advocating the creation of a National Veterans Day to General and later President Dwight Eisenhower. President Ronald Reagan recognized

Raymond Weeks as the “driving force” behind Veterans Day while presenting him with a Presidential Citation Medal at the White House in 1982.

Congressman Bachus served as Grand Marshal for the National Veterans Day Parade in Birmingham in 2008.

Congresswoman Terri A. Sewell Votes in Favor of Bipartisan Funding Bill to Re-Open Government and Avert Economic Default

October 16, 2013

Congresswoman Terri A. Sewell (D-AL) issued the following statement after voting in favor of H.R. 2775:

“Tonight, I voted in favor of H.R. 2775, the bipartisan funding bill, because it was the only responsible thing to do to re-open government and pay our nation’s bills. I share the frustrations of millions of Americans who are fed up with the political brinkmanship in the halls of Congress. For the last sixteen (16) days, House Republicans have placed partisan politics ahead of the needs of the American people by allowing the government shutdown to continue due to their unreasonable demands to dismantle the Affordable Care Act. We do not put America’s full faith and credit in jeopardy to score political points.

While I agree Congress must address our debt crisis, it is reckless and woefully irresponsible to do so at the expense of the American economy. There are no winners in this debacle. We all lose when 800,000 federal workers are furloughed, costing American taxpayers \$300 million a day and diminishing our economic reputation globally. Enough is enough! Let’s reopen government and prevent an economic default so we can finally come to the table and deal with the pressing issues of deficit reduction and job creation.”

Statement from Congresswoman Terri A. Sewell Denounces GOP Brinkmanship Which Led to Government Shutdown

October 1, 2013

Congresswoman Terri A. Sewell released the following statement regarding Government Shutdown:

“Once again House Republicans put partisan politics ahead of the needs of the American people. The government shutdown is the sole creation of the House Republicans. The GOP had a chance to avert the government shutdown but chose political brinkmanship over responsible compromise. In order to avoid the shutdown, the Senate sent the House a compromise spending bill that accepted the GOP’s lower funding levels. Instead of allowing a vote on this clean Continuing Resolution, House Republicans once again attached unreasonable amendments which had no hope of gaining bi-partisan support. Enough is enough! We cannot continue playing ping pong with the well-being of the American people.

A government shutdown will have a devastating impact on my constituents in Alabama’s 7th Congressional District and citizens across the nation, depriving millions of Americans of vital services and costing American taxpayers an estimated \$150 million a day. Families on food stamps and kids who benefit from the Women, Infants and Children (WIC) programs will go hungry. Over 17,000 children in Alabama will be affected by immediate cuts to the Head Start Program. Many government offices across this country will close and the more than 43,000 federal workers in Alabama could be affected. Our national economy should not be held hostage to partisan games.

Our constituents sent us to Congress, not to create problems but to find solutions. Let’s start earning the title of “Representative” by doing what is in the best interest of the American people we represent.”
