From the Office of Congresswoman Terri A. Sewell

Proudly Representing Alabama's 7th Congressional District

January 31, 2014

Welcome to the *Guide to Grants!*

I am honored to represent the 7th Congressional District of Alabama. One of the most important responsibilities as your representative is to provide you with information about funding opportunities. Now more than ever, grant opportunities are vital to the success of our local governments, organizations and other entities. This weekly guide will identify federal and foundation grant opportunities to assist you in goals for our communities. This Guide will include links to grant writing resources to help you make your proposals more successful. This Guide will also describe new funding opportunities for economic development, infrastructure, healthcare and educational projects as example. In addition, I am pleased to provide a Letter of Support for grant application projects in the 7th Congressional District of Alabama. Please let us know when grants are awarded, especially if you found the opportunities in the *Guide to Grants*.

STATEMENT FROM CONGRESSWOMAN SEWELL ON PASSAGE OF THE 2014 FARM BILL

January 29, 2014

Congresswoman Terri A. Sewell released the following statement after voting in favor of H.R. 2642, the Agricultural Act of 2014.

“After two years of negotiations to pass a farm bill that meets the needs of both our farmers and those who rely upon nutrition assistance programs, I am pleased that Congress has come to a bipartisan, bicameral agreement on a five-year farm bill. While not a perfect bill, it does represent a compromise that broadens access to irrigation, promotes our catfish industry and strengthens rural infrastructure.

While I am disappointed that this legislation doesn’t invest new resources in the Supplemental Nutrition Assistance Program (SNAP), I voted for this bill because it strikes a compromise that provides a 5 year agreement that gives our farmers and consumers the certainty they deserve. It is my hope that the compromise reached on the farm bill is reflective of the bipartisan work to come out of Congress this year.”

STATEMENT FROM CONGRESSWOMAN SEWELL ON THE STATE OF THE UNION ADDRESS

January 28, 2014

Tonight, Congresswoman Terri A. Sewell (D-AL) released the following statement on President Obama's State of the Union Address:

"I am encouraged by the President's message tonight of economic empowerment by providing ladders of opportunity for all Americans. I share President Obama's belief that we must invest in America's future by providing a livable wage, promoting education and investing in skills training and job readiness. Tonight, the President outlined a powerful vision of this nation and provided a concrete plan to grow the economy, strengthen the middle class, and enhance opportunities for all Americans. His agenda is rooted in the American Dream and fueled by the ideal that if you work hard and take responsibility, you can make it in America.

President Obama challenged Congress to join him in taking action on the most pressing issues we face as a nation. Together we must work to close the opportunity gap that exists in this country. I stand ready to do my part and hope my Republican colleagues will too. The state of this union is made stronger when we focus on our common interest and put partisanship aside."

STATEMENT FROM CONGRESSWOMAN TERRI A. SEWELL IN HONOR OF DR. MARTIN LUTHER KING, JR.

January 20, 2014

Washington, DC – Congresswoman Terri A. Sewell (AL-07) released the following statement today in recognition of Dr. Martin Luther King Jr. Day which will be observed on Monday, January 20.

“Today, as we honor the life and legacy of Dr. Martin Luther King, Jr., let us rededicate ourselves to living out the mission which he envisioned. May we never forget the important lessons he taught us. Dr. King showed us that hatred and injustice stands no chance when confronted with nonviolent action and compassion. As we reflect upon the past and the work that lies ahead, we know that the lessons of Dr. King are as relevant today as they were in 1964.

We should take this time to celebrate the progress we have made toward realizing the dream of Dr. King. As we celebrate this progress, we must honor Dr. King by making his unfinished work our own. We cannot forget the work that lies ahead and our responsibility to promote economic and social justice in our communities. We learned from Dr. King that the gift of freedom requires the ever vigilant dedication of all who are committed to justice and unity. It is my hope that we will honor Dr. King’s legacy by recommitting ourselves to living a life of service each and every day.”

CONGRESSWOMAN TERRI A. SEWELL STATEMENT IN SUPPORT OF OMNIBUS FUNDING BILL

January 15, 2014

Washington, D.C. – Today, Congresswoman Terri A. Sewell released the following statement regarding the omnibus funding legislation:

“Today, I voted in favor of the bipartisan funding bill for 2014. Congress has finally taken a step in the right direction by funding the federal government in a responsible manner and ending the drastic cuts imposed by sequestration. This legislation keeps the government open, eliminates the uncertainty caused by partisan brinkmanship and ensures that important services are provided to the American people.

In particular, I am pleased that this bill issues a reprieve for those facing flood insurance premium increases, addresses sexual assault in the Department of Defense, repeals last year’s cuts to veteran’s benefits, restores full funding for Head Start and boosts funding for Early Head Start. However, the bill falls short of fully funding programs critically important to the people of Alabama, like the Community Development Block Grant Program. Likewise, the legislation does not extend the emergency unemployment insurance program that is relied upon by 13,482 Alabamians.

While the omnibus agreement does not adequately fund many critically important programs, it is a welcomed departure from the harmful sequestration cuts that have undermined our National Security, harmed American families and weakened our fragile economic recovery.

Alabama supports a variety of need-based, and merit-based, scholarships and grants for its resident students.

General Scholarships and Grants from the state of Alabama:

Alabama provides a wide range of scholarships and grants for its resident college-bound students. These awards may be based on merit or need, or a combination of the two. As always, programs are subject to change depending on the availability of funding.

The following examples should demonstrate the scope of Alabama's financial aid programs as administered by either the Alabama Commission on Higher Education or the Southeast Alabama Community Foundation.

- The [Alabama Student Assistance Program](#) provides need-based grants for undergraduate students enrolled in an accredited state college or university. Students must be Alabama residents. Award amounts range from \$300 to \$2500.
- The [Alabama Student Grant Program](#) offers grant awards to eligible students enrolled at least part-time in a participating independent Alabama college or university. This is a merit-based grant program, and is only open to undergraduate students. Eligible students may receive up to \$1200 per academic year subject to the availability of state funds.

- The [Alabama Junior and Community College Athletic Scholarship Program](#) provides scholarship funds to full-time students enrolled at an Alabama public junior or community college. Awards are based on demonstrated athletic ability as determined by trials. The scholarship offers awards up to the full cost of tuition, less any other financial aid already received.
