

**IN THE UNITED STATES DISTRICT COURT FOR THE
NORTHERN DISTRICT OF ALABAMA
SOUTHERN DIVISION**

UNITED STATES OF AMERICA)	
)	
v.)	2:08-CR-00245-LSC
)	
LARRY P. LANGFORD)	

**ORDER TO REDUCE TERM
OF IMPRISONMENT TO TIME SERVED**

Before the Court is a motion filed by the United States of America, pursuant to 18 U.S.C. § 3582(c)(1)(A)(i), seeking a modification of the term of imprisonment of the defendant, Larry P. Langford, to time served. The United States has further requested that the 36-months term of supervised release previously imposed begin immediately upon the defendant's release and that, pursuant to 18 U.S.C. §§ 3563(b) and 3583(d), the conditions of supervised release be modified to include up to 36 months of home confinement, which may include electronic monitoring by the United States Probation Office. The Court finds:

1. Defendant Larry P. Langford was found guilty following a jury trial of Bribery, in violation of 18 U.S.C. § 666(a)(1)(B); Money Laundering, in violation of 18 U.S.C. § 1957; Conspiracy, in violation of 18 U.S.C. § 371; Honest Services Mail and Wire Fraud, in violation of 18 U.S.C. §§ 1341, 1343, 1346; and Tax Fraud, in violation of 26 U.S.C. § 7206(1).

2. On March 5, 2010, the Court sentenced the defendant to 180 months imprisonment to be followed by 36 months of supervised release. The defendant was also ordered to pay restitution and forfeit the proceeds of his crimes. He has a projected good conduct time release date of May 1, 2023.

3. The defendant has been diagnosed with end-stage chronic obstructive pulmonary disease and emphysema, pulmonary hypertension, right heart failure, sickle-cell trait, plantar fascial fibromatosis, bursitis, esophageal reflux with esophagitis, dysphagia secondary to a cricopharyngeal bar and esophageal stenosis, sensorineural hearing loss, pterygium, and anemia. The defendant is considered debilitated under Federal Bureau of Prisons policy and, based upon recent deterioration in his health, his condition is considered by the Bureau of Prisons to be terminal, with a life expectancy of 18 months or less.

4. Title 18 U.S.C. § 3582(c)(1)(A)(i) authorizes the Court, upon motion of the Director of the Federal Bureau of Prisons, to modify a term of imprisonment upon the finding that extraordinary and compelling reasons warrant the reduction. The Acting Director of the Federal Bureau of Prisons contends, and the Court agrees, that the defendant's terminal medical condition and limited life expectancy constitute extraordinary and compelling reasons warranting the requested reduction.

5. The United States has furthered requested, pursuant to 18 U.S.C.

§§ 3563(b) and 3583(d), that the conditions of supervised release be modified to include up to 36 months of home confinement, which may include electronic monitoring by the United States Probation Office.

IT IS THEREFORE ORDERED that the defendant's term of imprisonment is hereby reduced to time served.

IT IS FURTHER ORDERED that the defendant shall be released from the custody of the Federal Bureau of Prisons as soon as his medical condition permits, the release plan is implemented, and travel arrangements can be made.

IT IS FURTHER ORDERED that upon his release from the custody of the Federal Bureau of Prisons, the defendant shall begin serving the 36 months term of supervised release, and that the conditions of supervised release be modified to include 36 months home confinement, with electronic monitoring at the discretion of the United States Probation Office.

DONE AND ORDERED THIS 28th DAY OF DECEMBER, 2018.

L. SCOTT COOGLER
UNITED STATES DISTRICT JUDGE
